FIND THE RIGHT FIT

Take the Guesswork Out of Hiring

FEATURING - The Kolbe System®

Hire and Keep The Right People **Maximize Employee Potential** **Build Successful Project Teams**

WHY DO I NEED IT?

ALLOWS OFFICES TO:

- Identify and leverage the individual strengths of subordinates
- Maximize productivity, improve communication, increase group effort and team morale
- Maximize employee potential so they work to achieve office and team goals
- Design job requirements to create a "Range of Security"
- Specify fit for the job and within the team to find someone that will be a successful employee and partner for long-term success
- Design job requirements to create a "Range of Security"
- Specify fit for the job and within the team to find someone that will be a successful employee and partner for long-term success

Cost Saving: Less recruiting and retention costs.

Curbs Absenteeism: In companies where 80% of the time, less than 20% of the time, absenteeism employees were experiencing job stress.

Employee Retention: Retention rate of 100% compared to 50% for other companies.

Eliminates Job-Related Stress: Employees working using official selection methods within a company for job-related reasons compared to the of employees not using the system.

OPPORTUNITIES

Posting a job on the Dental Exchange is a surefire way to reach the most qualified dental professionals on the web. The SubHub™ makes it fast and easy to find substitute team members at a moment's notice.

KNOWLEDGE

MyCEtool™ makes it easy to securely track, manage, and store all of your CE courses and certificates. State requirements are displayed for easy reference and members receive automatic reminders about upcoming courses, requirements and progress.

PROFESSIONAL

Find and connect with local businesses such as accountants and tradesmen or national resources like dental manufacturers, speakers, and CE providers. Refine your search by category, location or keyword.

SOCIAL

The Dental Exchange provides an unparalleled mix of professional connectivity and social networking through social forums. Our engaging forums provide a secure platform for our members to connect and consult with one another, fostering a positive and collaborative experience.
