John: Who? Maria: This is Jessica from high school John: What does she look like? I don't remember her Maria: This is the one with a long wavy to hear. John: It looks beautiful Maria: Let's go say hello her John: Of course the lesson plan - Describe the look of the Scheme Activation Teacher playing You lovely Ed Sheeran Students are given a piece of paper with texts. They must determine that the students have the first part of the text, the second part of the lira until they find the last part. Pre-Task This is a few pre-requests for activity, choose the one you consider an appropo diet for your students' level and time limits. Task #1 Teacher examines the vocabulary needed to describe appearance using a quiz set. Students open a set of quizzes and check the spelling and pronunciation of words. Students quiz their classmates about vocabulary in it #2. Students must decipher the words to make an offer to turn the sentence into an issue. She has curly hair and does she have curly hair? Is she beautiful and beautiful? The challenge #3 students answer a survey about personal appearance with questions like this Once they have answers, they report their answers by saying: she has black hair/she doesn't have black hair to target #4 students do groups. They are given a sheet with ten sentences to one member of the group, whose member reads the proposal aloud To the Members of the Group indicating whether the proposal is true or false for them Students point out that the proposal is not true for them to make an offer that represents them better. Challenge #5 To test your students' listening skills, you may want to consider some of these listening tasks: A2: Listening - Description people B1: Listening - Description of People's Main Challenge If you want students to produce, create a Powerpoint Presentation and add photos of celebrities such as famous musicians, singers and other artists. Try to include celebrities who they like so they enjoy the challenge even more. Let's take the following considerations: Include quality photos. Turn one picture on the slide make sure that celebrities have different traits. Ask students to describe the people on the slides, make sure they give at least three characteristics so they use most of the vocabulary you've been taught. After the task students answer a short quiz about grammar related to the appearance of the Recommendations to spend some time dealing with pronunciation so that students do not make too many mistakes during practice. Make sure students don't start using a new dictionary to name their classmates. Sometimes students use words like fat and obesity to offend a classmate. All the tops. Appearance, character, relationships - all tops. Describing people: Today's appearance people are increasingly worried about their appearance. Personally, I think that looking now is very important for every person of any age. First of all, people who are satisfied with their appearance, as a rule, are confident in themselves. Indeed, looking well-groomed and beautifully dressed can easily communicate with others and achieve goals. Secondly, people who want to look attractive tend to go to sports. Most of them follow a diet and go to the gym. Third, people who care about their appearance take care of their health. It is generally accepted that a doctor's visit for a regular check-up can help prevent illness. If you asked me to describe someone I like, I'd be talking about my aunt. Her name is Sophia. She is middle-aged but has a very youthful appearance. She is in her late forties but looks young for her age. She has a friendly round face. Her hair is short and ginger. My aunt has very beautiful blue eyes and long eyelashes. Her lips are red and plump. I like it when she's a smiley face and happy. She is quite tall and of medium build. She doesn't usually wear glasses, but she puts them on when she reads or watches TV. She has a beautiful complexion. My aunt always looks fresh and rarely wears makeup. She is light-skinned, but loves to sunbathe in the summer. I like the way she looks because she wears clothes that are suitable for her age and always looks fashionable Elegantly. Prefers to wear suits and dresses. Anyway, my aunt is a good woman and always looks great. Description of a person's appearance more and more people are worried about their appearance. Personally, I think that looking presentable is very important for every person at any age. First of all, people who are happy with their appearance, usually confident. In fact, when a person is well-groomed and well dressed, he achieves more goals because it is easier to contact others. Secondly, people who want to look attractive usually play sports. Most of them follow a diet and go to the gym. Third, if people are watching their appearance, they are more likely to monitor their health as well. It is well known that a routine doctor's examination can prevent the development of diseases. If you ask me to describe someone whose looks I like, I'd tell you about my aunt. Her name is Sophia. She's a middle-aged young woman. She's in her 40s, but she looks younger than her age. She has a friendly round face and short red hair. My aunt has very beautiful blue eyes and long eyelashes, and her lips are plump and scarlet. I love it when she's happy and cheerful. She is quite tall and of medium build. She usually doesn't wear glasses, but wears them when she reads or watches TV. My aunt has a beautiful complexion. She always looks fresh and rarely uses makeup. She has fair skin, but she likes to sunbathe in the summer. I like the way she looks because she wears clothes that match her age and always looks fashionable and elegant. She prefers suits and dresses. Anyway, my aunt is a very attractive woman who always looks great.
