Reading a good book is great, but listening to one recorded while you drive, fly, or just chill at home is a great way to match the good books in your life as well. Fortunately, even if there are great players in the audiobook market, there are many options to choose from. This week we want to know which one you think is best. Of course, there are one or two big names everyone thinks about when they think about where they can buy or stream audiobooks (and we'll let you assign them on your own), but there are many other options that offer free books or a more specific selection of titles. Sound with your loved one in the discussions below! Let's hear your voice in the discussions below! To vote, follow these recommendations: Follow this format for your voice, including bold print. If you don't think about it, it won't count. LOGO SCREENSHOT OF THE BEST AUDIOBOOK SERVICE Vote: BEST AUDIOBOOK SERVICE Why: Explain why this service is the best for audiobooks! Maybe it has the widest selection, or a great companion app that makes listening easy. Maybe he has tons of free books. What makes it the one you would recommend to others, and why? Do your job! Try to keep it in one paragraph, maybe two. Don't duplicate the nominations! Instead, if someone has appointed your choice, the star (recommend) it to give it a boost and respond with your story instead. Please do not leave without logging, direct comments on this post. They're just going to be pushed down. Save your stories for the representations of others! If you're not sure what we mean, just check out the nominations of our writers below. We'll give you a start and they all need to be in the proper format so you can just follow our example. Hive Five is our weekly series where you vote for your favorite apps and tools for any job. Read more about us. Make the drive feel a little shorter with our top picks. May 13, 2019 Audible Most bibliophiles will agree that there is nothing better than a really, very good book. Whether you're turning the page at a local coffee shop or curled up in a comfortable chair at home, books have the power to soothe, delight, and keep your company readers in a way that a few other things can- and the best part, they're portable. The only time we don't recommend reading? When you're driving, of course, which is where audiobooks come in. In order to squeeze in some extra quality time with your kids. Here we have compiled the best audiobooks for the trip, so you can do just that. With the narrated version of your favorite book, you won't have to have donate precious reading time while on the road, and whoever else is in the car with you gets to be in on the fun too. Familiar reading voices like Meryl Streep, Claire Danes, and Amy Poehler only sweeten the deal. (Pro review: Subscribe to the free Audible trial to get the first two audiobooks for free!) 1 of 20 For the romantic comedy The Heartburn Fan, written by Nora Ephron and told by Meryl Streep you just can't go wrong with the laugh-out-loud novel by Nora Ephron, the favorite writer behind three of your favorite movies (When Harry Met Sally, Sleepless in Seattle, and you have mail, of course). Just be sure to subscribe to the free Audible trial to get the first two audiobooks for free. 2 of 20 For the Wizards of Harry Potter series J.K. Rowling, comments on Jim Dale Any list of audiobooks or books, for that matter, will be incomplete without mentioning the Harry Potter series. If you've never read it or it's practically memorized, we know you'll enjoy the magic of this audio retelling. 3 out of 20 For Leslie Knope Founder yes please written and narrated by Amy Poehler audiobook version of Amy Poehler Yes Please delivers the goods and then some of them. Among the many narrators and guests you will hear from here Amy herself, Carol Burnett, Seth Meyers, Michael Schur, Patrick Stewart, Kathleen Turner, and even Amy's parents. So even if you've already read the book, you'll want to download this version as soon as possible. 4 of 20 For the Old Soul At Blackwater Pond: Mary Oliver reads Mary Oliver the late poet Mary Oliver was and remains loved for a reason: Her transcendental poetry reminds us of the wonderful beauty of nature, animals and the like. Here she reads a selection of her poems in her signature, quietly. 5 out of 20 For LOTR-Obsessed Lord of the Rings, written by JRR Tolkien and narrated by Rob Inglis One Ring to rule them all, one ring to find them, one ring to keep them from... feeling very, very bored on a long road trip. Fans of Tolkien's cult trilogy will be happy to know that she too has received an audiobook treatment. Almost as mesmerizing as the books themselves, we believe that this version is perfect for lovers of all ages. 6 of 20 For the Foodie My Life in France, written by Julia Child and Alex Prud'Homme and narrated by Kimberly Farr amazon.com Listen to the biographical story of the late Julia Child about how she became a famous chef, how we now remember her. With equal doses of sweetness, humor and honesty, the story of a child is incredibly charming and inspiring (not to mention child friendly) and it will teach you never to give up on your dreams, regardless of your age. 7 of 20 For Bookworm Where Crawdads Sing, Written by Delia Owens and narrated by Cassandra Campbell Where Crawdads sing will transport you to the North Carolina coast for heartbreaking adventure. Audio version of Reese Witherspoon Book Club Pick too. 8 out of 20 For Dreamer girl, wash face, written and narrated by Rachel Hollis The author of the bestseller, motivational speaker, and CEO Rachel Hollis has been a source of wisdom for her millions of fans for years. Now, she's distilling that wisdom into words in the form of this inspiring self-help read. In particular, women will love her sassy, uplifting, no-nonsense take on success, motherhood and life. 9 out of 20 For a Detective in the Heart of Inheritance, written and narrated by Dani Shapiro By Dani Shapiro's calm, steady voice and gorgeous prose will guide you along this not-so-steady memoir. In it, the best-selling author recounts the events that occurred after she discovered that her biological father had never been her father. 10 out of 20 For a thinker of astrophysics for people in a hurry, written and narrated by Neil deGrasse Tyson If, at a red light, you calmly ask yourself things like: What is the meaning of life? And what is a black hole, anyway? You will enjoy this mind-blowing audiobook from Neil deGrasse Tyson. Don't worry: it's designed to be listened to by people without formal science education, so you don't have to worry about any information going overhead. 11 out of 20 For worrier What If? Written by Randall Munro and narrated by Will Wheaton amazon.com hypothetical questions that road trips were made for, right? This audiobook has all the answers to deep questions that you really never think until you hit the open road, from stupid to philosophical. (Pssst... we mentioned that if you sign up for the free Audible trial, you will get the first two audiobooks for free?) 12 out of 20 For Dietitian Case Against Sugar, Written by Gary Taubs and narrated by Mike Chamberlain's Fair Warning: This may have an impact on your usual leisure stop order. First published in 2016, Gary Taube's study of Americans' unhealthy obsession with (and addiction to) sugar continues to cause a real stir among his large readership. 13 of Tom Sawyer's 20 Children's Adventures, by Mark Twain, narrated by Nick Offerman amazon.com Kids Will Love Tom Sawyer in naughty, playful ways. Adults will love listening to actor and comedian Nick Offerman rethink this childhood classic. It's a win-win situation. 14 of 20 Late Night Fans Born Offense, written and narrated by Trevor Noah Any fans of comedian Trevor Noah will enjoy his self-narrated audiobook. Subtitled Stories from a South African childhood, his accounts equal parts hilarious and tragic. 15 out of 20 For the Philosopher's Short Story Almost Everything Written by Bill Bryson and narrated by Richard Matthews There's No Better Time to Refresh world history than on a long drive. And if you decide to do Through this audiobook, you get a lot more than you bargained for: Bill Bryson's bestselling tackle is almost every one of the biggest, most distant questions people have ever asked. 16 of 20 For an aspiring novelist All the World That We Can't See, author Anthony Doerr and narrated by zack Appelman winner of the 2015 Pulitzer Prize for fiction, All the Light, which we can't see not only boasts excellent, thoughtful writing that practically asks to read aloud, but also dozens of beautiful and poignant life lessons. Author Anthony Doerr weaves together the stories of two very different characters and sets both against the backdrop of a vivid, tragic Second World War. It's unforgettable. 17 out of 20 For the comedy Lover Bossypants, written and narrated by Tina Fey Sometimes, an audiobook is better than a book. That's what it's all about. Tina Fey's memoir will have you in stitches, but it's even better when you hear it in her own voice. 18 out of 20 For Changemaker Beloved, Written and Read by Toni Morrison amazon.com Let This Award-Winning Novel from renowned author Toni Morrison keep you company on your next cross-country journey. Beloved are poetic, obsessive and important. 19 out of 20 For the whole family of Leo, Witch, and closet, written by C.S. Lewis and narrated by Michael York Do you probably already have a destination in mind, but could we suggest adding a stop in Narnia? This classic tale will have your children wanting to befriend Lucy, Edmund, and Peter as they fight to end the Spell of the White Witch and save Narnia. 20 out of 20 For sci-fi wrinkle fanatics in the time of Madeleine L'Engle, Read Hope Davis Who could forget the sci-fi magic of wrinkles in time? Let your kids have a classic treat with this audiobook that brings the 1963 Newbery Medal winner to life (and contains comments from the director of a recent live-action remake too). 16 Cool Trips take with your Dad Advertising - Continue reading below This content is created and supported by a third party, and imported to this page to help users provide their email addresses.
