**ABSOLUTE SOVEREIGN, INHERITOR OF ALL THE EARTH
KING OF KINGS**

BEGINNING

Deeds and actions of the Pan-Orthodox Conference of the Heads and Representatives of Autocephalous Orthodox Churches held in 1948, in honor of the 500th anniversary of the true independence of the Russian Church and the restoration of the Church of the Children of God (1448) in 1943, at which the Moscow Patriarchate of the Russian Orthodox Church (since 1943) in Moscow decided to proclaim the title of the Worldwide Patriarchate of the Church of the Children of God, which is not subject to the jurisdiction of Roman law and the Roman Pontiff (Pope), and the Children of God are not recognized as servants of the Lord; that the Patriarchal Throne in Constantinople has been occupied by the Uniate Patriarchs since 1439; that the Pan-Orthodox Conference has renounced ecclesiastical communion with the World Council of Churches as an ecumenical organization and its members, and recognized that decrees, as formations and innovations, and all statutes, declarations, resolutions, laws, decrees, rescripts, orders, statements, dispensations declared by the World Council of Churches, letters, notes, deeds, warrants and/or any other instruments, as well as its statutes, property rights and other rights and dignity, will not have force and enforcement, are invalid in relation to the Children of God as men and women, dead and living, on the basis that:

- The Scottish Constitution of 1578 was adopted in honor of Satan, as the Sephiroth (Light) in the Kabbalah, meaning "the lesser god";
- The doctrine "Je Main Tiendrai" as an official motto formed Freemasonry in Scotland, York and London through the Jesuits, under the ancient symbol of the Sadducees "G" - as Sabbateans, followers of Sabbatai Zevi, professing Judaism;
- The New Jerusalem Temple - York and Lancaster, as the Inner and Middle Temple, is the capital of the Religious Trust, existing since 1604 as the Protestant Church of Scotland (1578).

And I also confirm that in 1948 the Pan-Orthodox Conference of Heads and Representatives of Autocephalous Orthodox Churches additionally confirmed the transition of the status of the Children of God from church law to civil law: As Born Free from the date of birth, who are in the world under the protection, custody, in trust and in the power of God, the Light of Truth, the King of Glory and the Victory of Righteousness in childhood, adolescence, adulthood, old age, infirmity, sickness and rest, by the right of the Almighty Father, who is always a Living Man or Woman, the Legal Person of a lifelong right, for which the right of free

choice is preserved and recognized, having the right to wear a golden ring, according to Roman law, a column (tenant) who has acquired the right to pass to the Episcopal rank, as a Sovereign, Service and Servant Priest, Prince of the Church and as a descendant in a direct descending line of an ally and co-worker of the Sovereign, Tsar and Grand Duke of All Russia Ivan the Terrible, since 1472, accepted for loyalty as the Founder and Beneficiary and Recipient of all benefits in the USSR as a Religious Fund, to which income and annuities from the Divine Trust (1302), Testamentary and Property Trusts of the Roman Pontiff belong and are subject to its delivery, whose descendants cannot be recognized as serfs, Roman Rabs (slaves), Servants or natural persons in need of patronage, manumission, mancipation or emancipation from the Roman Pontiff, are required from 1999 to 2026 to choose and confirm their highest status in order to be recognized as Living in Heaven and on Earth, and to obtain such registration in the Book of the Living and the Dead.

I also confirm that in relation to the Children of God, the laws and provisions of the Roman family law are inapplicable, prohibited, excluded and not established, and God the Creator is a Mentor for the Child of God, and the Children of God are adopted by God.

I also confirm that if Otrok (Child) is translated as a child or a minor, then it will always refer to the God-born and God-fearing One, to whom all power on Earth belongs from God.

I also affirm that since 1948 all the decisions of the World Council of Churches, as formations and innovations of the Protestant Church of Scotland, are acts of its existence as the "Columbia" Religious Fund, also known as British Columbia, or the District of Columbia in Washington and as the State of Delaware, which governs the United States of America.

I also confirm that *the Special Military-Political Body of the USSR (successor: Military People's Council of the USSR)* is the Legal Representative and Regent of the British Throne in its vacancy and that the Scottish Protestant Church did not accept and did not agree to be answerable to the Sovereign Tsar and Grand Duke of All Russia according to its claims to the British Crown and *the Special Military-Political Body of the USSR (successor: the Military People's Council of the USSR)*, according to Russian and Soviet claims to the property and annuities of the Divine Trust from 1302, the Testamentary Trusts of the Roman Pontiff from 1455 and 1481 and the Property of the Trust of the Society of Jesus from 1540 and Russian claims and loans provided to the Scottish Treasury by the Russian industrialists Demidovs and

KING OF KINGS**

other persons, after which each newly ascended heir to the Throne or Regent of the British Throne is required to recognize himself as Guarantor and The guarantor of their return to *the Special Military-Political Authority of the USSR (successor: Military People's Council of the USSR)*.

I also confirm that in connection with the renewal of the statute of the Church of the Children of God and the proclamation of the title of the Ecumenical Patriarchate of the Church of the Children of God in Moscow, the Head of the Anglican Episcopal Church, the New Jerusalem Temple in London (1537) and the Reserve Jerusalem Temple in the USA (1808) recognized the Rights and Titles of the Children of God on Earth and in the World, and the Roman Pontiff and the Society of Jesus, in connection with the termination of the effect and validity of The Cestuiquevie Acts of 1534, 1540 and 1666 on Subjects of Lifetime Right, repealed the British Poor Law and adopted British National Relief Act so as not to affect the Rights and Titles of the Children of God, whose ancestors in the ascending line are the Sovereign, Tzar and Grand Duke of All Russia (1472), his Companions, Co-workers, subjects of the Russian Empire, Russian and Soviet citizens, now regulated by *the Special Military-Political Authorities of the USSR (successor: Military People's Council of the USSR)*, British Admiralty Law and Maritime by law.

I further confirm that since 1948 the British National Aid and Separate National Health Services Act has been enacted for the purposes of trade in the United Kingdom for England, Ireland, Wales and Scotland. According to Admiralty Law and the Law of the Sea, citizenship of Great Britain is granted to holders of a National Health Service (NHS) national identification number; The UK Parliament regulates the range of benefits provided by the National Health Service (NHS); all laws, acts of the British Crown apply only to citizens of the United Kingdom and not to citizens of the United Kingdom of Great Britain and Northern Ireland until 1948, which means that the local population within the British Commonwealth, territories, directorates, colonies and plantations, falling under jurisdiction of the British Crown, has no civil rights, has no or terminated citizenship, where the term "citizenship" means the registration of newborns as persons and personalities, not as Liveborn, but as non-residents, as aliens, as stateless persons, such as sick and disabled persons in the territory of sanitary districts of the Admiralty, the borders of which coincide with the state borders of such territorial units.

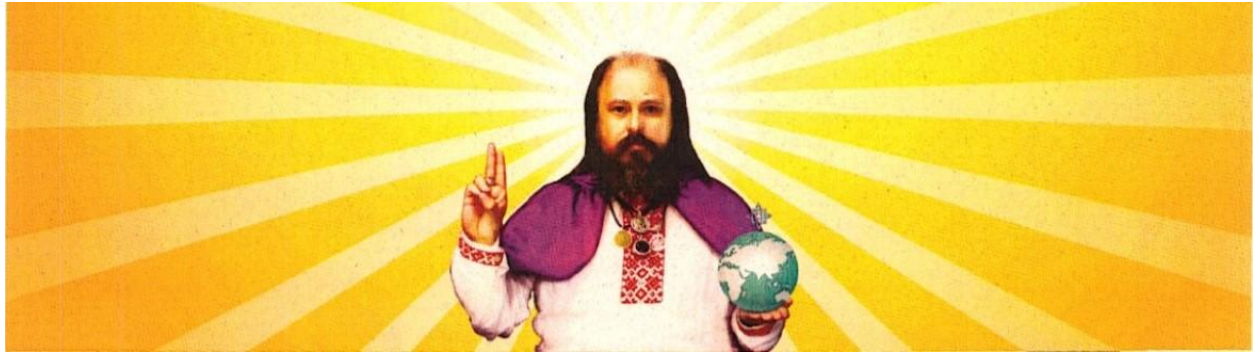

**ABSOLUTE SOVEREIGN, INHERITOR OF ALL THE EARTH
KING OF KINGS**

The passport becomes an identity card and a pass (travel card) for moving from one sanitary district to another, and does not certify that its Holder has human, natural, civil and other rights, but only testifies that the Holder of the Passport is a voluntary Roman Slave, the biological property of the Roman Pontiff and the living, talking property (cattle) of the Society of Jesus.

Such provision on state citizenship under the applicable law is established in relation to all state entities and residents, except for the Union of Soviet Socialist Republics and international entities, councils and organizations, as subjects of international law of the CMEA and ATS (Warsaw Treaty Organization) with the participation and membership of the USSR based on the fact that since 1472, by the pre-emptive and privileged right of the Sovereign, the Tsar and Grand Duke of All Russia over the British Crown, the Roman Pontiff, the Society of Jesus, the USSR as a Religious Foundation, the Citizens of the USSR as Children of God, who remained faithful to the Oath of the USSR and their Worthy descendants in direct and descending lines are not recognized, are not and shall not be born slaves, but from the moment of birth are Alive, Male and Female, and Subjects of Life Law, whose rights are subject to international certification and confirmation in the international records and registries of the British Admiralty in 1899, after the abolition of the titles and rights of registries existing before 1899.

I further confirm that the resolutions of the World Council of Churches, as a body and innovation of the Protestant Church of Scotland, its existence as the Religious Fund of Columbia, also known as British Columbia or the District of Columbia in Washington, and as the State of Delaware, administering the United States of America as a corporate trust under the management of the Commercial US Government, registered under the Crown of Aragon in Puerto Rico, valid until 2016 and 5 years of transition to the Republic of the United States of America.

I also confirm that after the creation of the United Nations, all statutes, laws, decrees, declarations, memoranda, rescripts, orders, proclamations, dispensations, letters, notes, deeds, guarantees or instruments promulgated by the World Council of Churches, as well as its statutes, proprietary rights and other rights and dignities, shall have no force and enforceability, and are void in relation to Man, Men and Women, both Living and Dead.

**ABSOLUTE SOVEREIGN, INHERITOR OF ALL THE EARTH
KING OF KINGS**

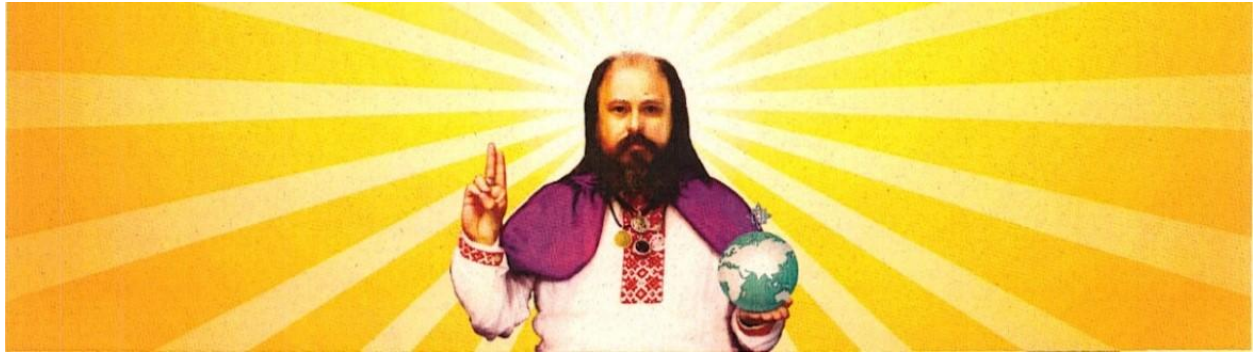

I also confirm that in 1948 *the Special Military-Political Body of the USSR (successor: Military People's Council of the USSR)* declared that the Russian Orthodox Church would not be a participant and would not enter into ecclesiastical communion with the World Council of Churches, but would remain its observer and supervisor, so that Rights and Titles of Loyal Citizens of the USSR as children of God are unshakably respected, protected and not diminished, and in relation to sovereigns and subjects of international law, whose sovereignty arose from the USSR and its residents, the following provisions apply:

a) *The Special Military-Political Body of the USSR (successor: Military People's Council of the USSR)* is the Legal Representative and Regent of the British Throne in his vacancy;

b) The World Council of Churches is under the authority of the Roman Curia and from it received the right to own, use, dispose of and keep the income and annuities under the Divine Trust of 1302 and the Property Trust of the Society of Jesus of 1540, the US quota in world money is administered by the Imperial Trust and managed by Richard Gravett and which was annulled by him in 2006;

c) The Protestant Church of Scotland did not accept and did not agree to be answerable to the Sovereign, Tzar and Grand Duke of All Russia for his claims against the British Crown and the Special Military-Political Authority of the USSR regarding Russian claims to property and annuities under the Testamentary Trust of 1455 and 1481 and regarding Russian claims and loans provided to the Scottish Treasury by the Russian industrialists Demidovs and other persons.

I also confirm that since 1948 every declaration of sovereignty, declaration of independence and creation of a state whose continuity does not extend back to the USSR, means that such nations and states, in exchange for international recognition, are subject to registration in the world banking system as trading companies and corporate trusts, in the state of Delaware, USA, as having been registered and incorporated in the United States of America since 1791, subject to the provisions of the English Bill of Rights of 1689. After that, the resident of such a trading company and corporate trust under Roman Law, as a face and person, acquires the status of Dead Man and Woman, who is issued the appropriate passport and visa form; they are trophy or surviving populations, prisoners of war, migrants or foreigners who are obliged to remain faithful and loyal to the authorities, the monarch or other sovereign, declaring the citizen as his

ally, ward and debtor, or this means recognizing him as sick or an enemy of the state, subject to internment or isolation and deprivation of property and other civil rights, also without the possibility to receive and use income and annuities resulting from the Divine Trust of 1302, and also without the right to legal protection in court; at the same time, the foreigner and migrant may be recognized as a friendly or neutral person, who will receive the right and permission to stay and certain privileges and rights until he is a naturalized citizen or a stateless person, who is deprived of all rights and privileges to property and whose rights are subject to confiscation in favor of the Roman Pontiff, who de facto and de jure declared as his property all non-residents, foreigners and migrants who do not agree that they are de facto Roman Slaves, recognizing and confirming that Roman law in relation to the Citizens of the USSR in the territory of the USSR, the overseas ownership of the USSR and Russia is prohibited, has not been established, has not been applied and is not subject to application.

I also confirm that since 1948 membership in the UN should be understood to mean that the existing entity, sovereign or monarch has agreed to exist as a registered trading company and corporate trust in the world banking and financial system, and joined the sovereigns – the UN Founders as permanent members of the UN Security Council.

I also confirm that the German Reich Trust (1870-1943) remains unfinished and not closed, but is considered to have passed under the control and jurisdiction of the peace treaties following the results of World War II, and all residents, trading companies and corporate trusts created since 1870, are payers under the "New World Order" Trust (1943-2016).

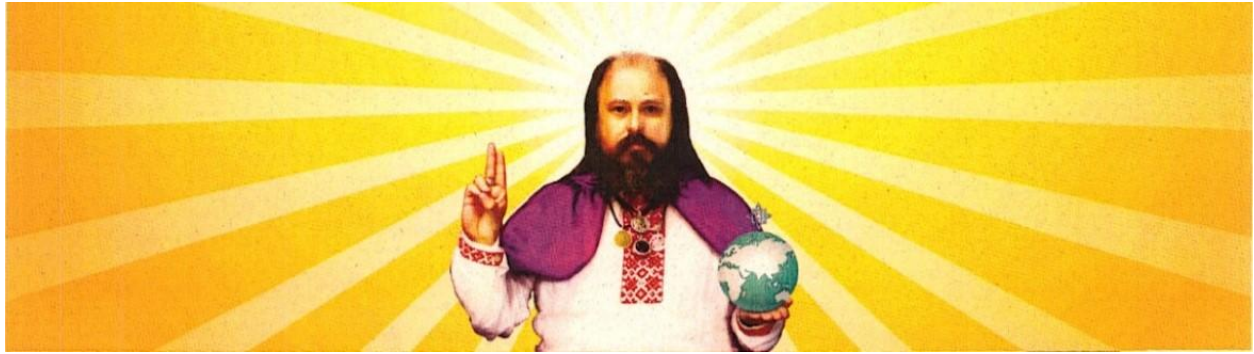

I also confirm that all trading companies and corporate trusts are registered as companies and subsidiary trusts within the "New World Order Trust" (1943-2016), the end of which in March 2016 will testify to the onset of the "Last Judgment of God" and the "End of the World" according to the Church canons.

I also confirm that the Union of Soviet Socialist Republics has established the following status quo for the permanent members of the UN Security Council, which is not subject to revision or change without the consent of the USSR, and which is to be understood in the sense that:

**ABSOLUTE SOVEREIGN, INHERITOR OF ALL THE EARTH
KING OF KINGS**

- *China* is the Government of the Kuomintang and the Republic of China in Taiwan as the successor of the Great Dragon;
- *The Union of Soviet Socialist Republics (USSR)* has been a united Russo-Byzantine since 1472, Russo-British since 1555, and Russo-Persian since 1575 by the Throne of Moscow, the Sovereign, Tsar and Grand Duke of all Russia, his Free and Loyal Allies and their descendants in a direct line of descent consisting of the citizenship of the USSR as Children of God and as Lawful Owners of the Great Seal of the Treasury of the British Empire;
- *The United Kingdom* is a trading crown after the bankruptcy of the British Crown in 1815, which the USSR decided on behalf of the Sovereign, Tsar and Grand Duke of All Russia to restore in Titles and Rights to the Sovereign Crown as the Kingdom of Great Britain and Ireland without the throne of Scotland, so that through it the Rights and Titles of the Russian Empire and Emperor and Sovereign of All Russia in 2017 properly disappeared and ended exclusively in favor of the USSR;
- *The United States of America* has been the Commercial Corporate Government of the United States since 1871, until the end of the New World Order trust in A.D. 2017 as the seat of the Roman Curia, the new Venice, and as the territory of the Society of Jesus, after the establishment of the Republic in the form of the British Commonwealth as The New Atlantis, The "Reserve Temple of Jerusalem" in the United States since 1808, the religious Foundation "Columbia" as British Columbia or the District of Columbia in Washington, and as the state of Delaware, the seat of the Treasury and Court of the treasury of Scotland, and the seat of registries and records under the UCC, place of registration of trading companies and corporations in the global banking and financial system, when the Corporate Government of the United States is established in Puerto Rico under the Crown of Aragon, as falling under Soviet-British regulations on the basis that the USSR and the British throne are the successors of the Republic of the USA (1776-1870);
- *France* – as the place of the establishment of the Holy Catholic Church in Saint-Denis in 775 during the Carolingian era, as the place of initiation of antipopes and the site of the adoption of the Sacred Law against slavery, tyranny and the Roman cult, as the defeated World Empire of Napoleon in the years 1812-1815, as the Worldwide state of the Jesuits and the King of the World, the Sanhedrin and the King of Judea (1806), whose titles and rights are to be composed in the order of their capitulation in the years 2013-2016 before the King of Glory.

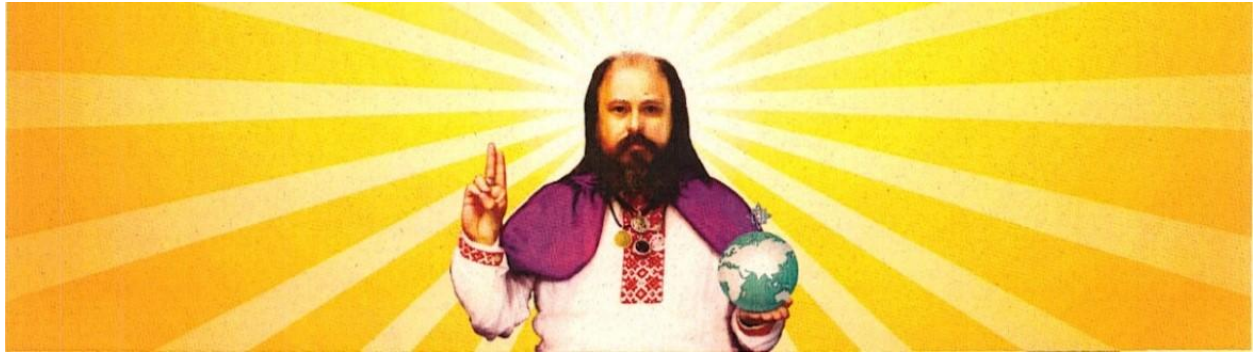

**ABSOLUTE SOVEREIGN, INHERITOR OF ALL THE EARTH
KING OF KINGS**

I also confirm that the Interests, Rights and Titles of citizens of the USSR, their descendants in the direct line of descent who have retained or taken the Oath of the USSR, are inviolable in the Russian Federation and do not come under the control and jurisdiction of the Roman Pontiff and the Society of Jesus; the Property, Rights, Titles, Personal Property of a Citizen of the USSR are inviolable; Soviet and natural rights are inalienable, such as the right to life, health, liberty, inviolability, honor, dignity and reputation, equality before the law and before the courts, protection from arbitrary interference in private and family life, the right to legal protection, the presumption of innocence, the prohibition of torture, cruel and inhuman treatment or punishment, the prohibition of being subjected to medical and scientific interventions and experiments without free consent, the right to a social order in which human rights can be fully exercised, respected and protected; the implementation of Soviet Human Rights is carried out at the level of recognized international standards, excludes any discrimination on the basis of national-ethnic, political, religious, gender and age characteristics, guarantees reliable legislative protection of the personality and dignity of the citizen, inviolability of his home and property, freedom of choice of profession, determination of places of residence, departure and entry into the country, confidentiality of correspondence and telephone conversations, freedom of speech, press and information; free self-determination of a person in his worldview and spiritual interests, freedom of conscience.

I also confirm that the General Citizen Passport (ID) of the USSR replaces the diplomatic passport in the Russian Federation.

I also confirm that Citizens of the USSR who retain the Passport of a Citizen of the USSR retain and fully enjoy, possess and dispose of all the Rights and Titles of a Citizen of the USSR in the USSR and abroad, and as sovereigns retain all the privileges, immunities, inviolability and extraterritoriality, through which citizens who have lost their Soviet passports and their direct descendants may acquire rights and enjoy Soviet protection and patronage.

I also affirm that holders of USSR passports who are in military service in the USSR or under the Military People's Council of the USSR have the status of inviolable judges, auditors, supervisors, and inspectors of the General and Officers of the Society of Jesus, monitor the activities of the Roman Curia and the Fathers of Kings and Princes - the "Famiglie principesche romane" as Trustees of the Russian Democratic Federal Republic, as those who have not fulfilled the testamentary will of Richard Gravett, as overdue Debtors of Jesus Christ as King of Glory,

ABSOLUTE SOVEREIGN, INHERITOR OF ALL THE EARTH
KING OF KINGS

Shahinshah of Persia, Children of God, Loyal Citizens of the USSR as Freeborn, when for debtors from March 20, 2016 the date of the beginning of the "Last Judgment of God" and the "End of the World" has arrived.

Natural persons and Russian citizens appear before the citizens of the USSR and have the recognized status of legally incompetent and incapacitated persons who do not have the legal right to perform legally significant acts and to make any demands or perform any actions (inactions) against the citizens of the USSR and/or are subject to prosecution in an international court for violation of the Decisions and Acts of the Nuremberg Tribunal (1945-1946), as accomplices and recognized war criminals who committed international crimes against the USSR, the Citizens of the USSR and the whole of Mankind, if their actions (inactions) are not aimed at the recognition, protection and security of Soviet Rights and Interests in the Russian Federation and throughout the world.

By the Grace of God, by the Rights of Succession, as Freeborn, God-born and God-fearing, to whom belongs all power on Earth from God, I confirm the beginning of the "Last Judgment of God" and the "End of the World" for all who do NOT obey the Divine Will and ignore the Call of God, but he who listens and heeds will receive Eternal Life and the Right of Further Spiritual Development according to the Divine LAWS in the Worlds of the Light.
