We the British University Taekwon-Do League are honoured to invite you to attend the 2nd University Taekwon-Do World Championships, taking place at Nottingham Trent University, Nottingham, UK from March 22nd-24th 2024.

After the great success of the inaugural University Taekwon-Do World Championships in 2022 we are delighted to see the return of this event. The 2022 edition saw University Students from 47 countries attend and compete at the event.

As an organisation we have been working hard to unite all University and College Taekwon-Do practitioners over the past 8 years, and are honoured to be able to provide these opportunities for the education sector. All of our Championships are inclusive of International Taekwon-Do Federation (ITF) and World Taekwondo (WT) categories.

The Championship will take place at the Lee Westwood Sports Centre, Nottingham Trent University, Clifton Campus, Nottingham, NG11 8NS. The venue has previously hosted the UK's National Student Championships and allows for our large 9 ring set up. The city of Nottingham is an incredible city with rich history and we are very excited to welcome you.

This historic Championship will be open to students from all organisations and groups and will feature both ITF and WT event days as follows:

Friday 22nd March 2024 - ITF Colour Belt Events

Saturday 23rd March 2024 - ITF Black Belt Events

Sunday 24th March 2024 - WT Colour Belt and Black Belt Events
