In both cases, the subscription period will be suspended from the date you notify us, and will recommence from that time following repair or replacement and the product is delivered to you (see clause 6.10). In the case where the product has been damaged, we will charge a service fee from your subscription deposit, which will not exceed 3 (three) months' subscription cost.

Following the return of products by you to us, you will be liable to pay any outstanding amount on the terms of this contract following deduction from your subscription deposit.
- 7.4 Loss or damage to the device.** If the device is lost, or damaged beyond repair, during your subscription period, we will not provide a replacement device. Instead, you will be charged a compensation fee equivalent to 3 (three) months' subscription cost, which will be deducted from your subscription deposit (with any shortfall payable by you, or any balance refunded to you, as applicable). - 8.6 When your refund will be made.** We will make any refunds due to you as soon as possible. If the products are goods and we have not offered to collect them, your refund will be made within 30 days from the day we have received the device and completed device checks for faults and damages. If any faults are found, a product service fee (capped as set out in clause 7.1(a)) will be deducted from your subscription deposit.
- 8.7 Product damages or loss.** If during your subscription period the products are lost, or damaged beyond repair, you will be liable to pay compensation as set out in clause 7.4 (equivalent to 3 months' subscription cost); no replacement device will be provided.

If you cancel your subscription before completing 3 (three) months of subscription, your subscription deposit will not be refunded and will be retained by us in full as compensation for early cancellation.
- 8.9 Return of the device before cancellation is processed.** Following cancellation of your subscription, you must return the device to us in accordance with clause 8.2 before we will process any refund due to you or complete the cancellation of your subscription.
