

## How to Prosper in the Economy of God

Pastor Lennox Zamore, Senior Pastor

### I. Align to the King's P\_\_\_\_\_

- Kingdom provision is to those who are aligned with the King's p\_\_\_\_\_ which is to establish His r\_\_\_\_\_ as the standard of human life and c\_\_\_\_\_.
- When we are aligned to His righteousness and not to our own, the product is p\_\_\_\_\_ and j\_\_\_\_\_.

### II. Align to the King's P\_\_\_\_\_

- God must be your highest \_\_\_\_\_; if He is not, r\_\_\_\_\_ them.

### III. Align to the King's P\_\_\_\_\_

- God rarely drops money from the sky. He provides through c\_\_\_\_\_.
- God's channels are not relegated to l\_\_\_\_\_ or s\_\_\_\_\_.
- Provision is not l\_\_\_\_\_ -based. It is p\_\_\_\_\_ -based.

Just like governments have a procurement process, God also has a way of getting things and the first process is:

#### 1. S\_\_\_\_\_ and R\_\_\_\_\_

##### a. W\_\_\_\_\_

##### (1) Sowing for S\_\_\_\_\_

- When you sow words, you are really sowing faith.
- God does not charge us with the production of salvation, just with the sowing of a seed.

##### (2) Sowing for S\_\_\_\_\_

- Speaking the Word is not just for salvation, it is also for success in Kingdom work
- God is ruling through the agency of human beings - by the power of the Holy Spirit working through us.
- There are four ways to speak breakthrough into reality.
  - P\_\_\_\_\_
  - P\_\_\_\_\_
  - P\_\_\_\_\_
  - P\_\_\_\_\_

##### b. W\_\_\_\_\_

- Works of righteousness and love are some of the most powerful Kingdom seeds.
- When believers sow compassion, forgiveness, and mercy, they cultivate environments where God's grace flourishes.

##### c. W\_\_\_\_\_

- If you want money, you must sow m\_\_\_\_\_.
