About the game Every now and again there comes a time when certain games in the arcade genre tend to shake up the world because it attracts a lot of attention in a rapid time span. One of the games that caught the attention of gamers is Subway Surfers mod apk and mod ios. This creates such an impact on the arcade game genre which causes the number of downloads of this game to pass the whopping 1 billion figure on the Google play store. Yes! One billion! Now that's some numbers to imagine even if it's just a game, right? Nevertheless, it has been marked as the first game to have reached this prominent milestone. Classified as an action adventure and arcade style game, Subway Surfers mod, yet, endless running game that managed to attract the attention of gamers. The game was co-developed by Kiloo, the studio of SYBO, a private company based in Denmark, and launched in 2012. The graphics are quite impressive for this kind of game and therefore the game tends to attract attention - simply because time experience. That said, the game is quite addictive and the number of downloads and usage of defeat is proof of that. The game is available on iOS, Android, Kindle, and Windows Phone platforms. It's more of an eye-catching game for kids, but it never disappoints anyone who goes into the arcade game genre and just wants to pass the time. Subway Surfers mod apk, as stated in the texts above, is a simple endless running game in which the protagonist is the man who marks the graffiti and is therefore followed by the grumpy policeman and his dog. The game from then on just tries to score as many coins as possible and travel as much as possible before the protagonist is hit or caught by the police. Well, if you like Subway Surfers, then you will definitely love our Temple Run 2 MOD APK/iOS with unlimited gems and unlimited coins. Download Subway Surfers MOD IOS Download Subway Surfers MOD IOS A young mischief or hooligan, as it is called in Europe for young offenders, is on the run after being noticed by this grumpy policeman and his dog who tends not to leave a trace without arresting him. In addition to simply adding quickly to his run, or in simple terms, parkour, the protagonist can keep up with his skateboarding skills as he walks through stations, on tracks, down tunnels and high with jetpacks. The theme of the game is nothing short of a World tour. This Subway Surfers world tour has visited 79 popular cities around the world such as Rio-de-Janerio, New York, Moscow, Tokyo, Miami, Paris, Beijing, Sydney, Miami, Rome, etc. Gameplay is quite simple and basic. New users or returning players tend to take on the role of teenage hooligans making their hands dirty with graffiti on subway metro trains. The theme of the game is taken as inspiration from the occurrence of this kind of graffiti in Denmark that tends to happen quite often there. Anyway, for the interesting part, a police inspector and his dog give the protagonist a chase until the hooligan makes the mistake of crashing into trains, walls, etc. and is finally caught - aye, make the law win! Through the running phase, the character is faced with obstacles in the form of trains and ramps. So, the parkour phase is everything in this game that can be requested, be it gliding through obstacles, jumping across ramps, jumping on trains, etc. Sounds crazy, doesn't it? Well, that and supposedly, another where's the fun in the game? To make endless running more interesting, coins, keys, and other special objects get in the way because players tend to collect them so as to unlock other things like characters, skateboards, etc. So, it's like collecting as many coins and other special objects You can every time you play while running at the same time and avoid colliding. To make things more interesting, interesting, Power amplifiers in the form of coin magnets, jetpacks, super sneakers, etc. come with a view to increasing the score. Oh, and to let you know, simulations tend to accelerate with the distance done. Trains now tend to approach at a faster speed than at the beginning and thus make it difficult because running tends to go forward. You can download the original game from Google Play. Game Features Subway Surfers game, to set the record straight, is pretty simple in terms of controls and gameplay. However, it does not lack amazing features. The game looks pretty interesting thanks to its clear and colorful HD graphics. Apart from parkour, the game features a selection of hover-board players, jetpacks, and super sneakers. This game is popular because this one never fails to have the addition of new characters, skateboards, and other accessories. This one is no exception. The game presents many other characters for players to choose from as their protagonists. With in-game currency in the form of coins, players can unlock their favorite characters and skateboards. What if we get caught? Start all over again? Well, yes if you lack the keys that tend to come your way as you continue your parkour run, the Game presents its players a weekly hunting event where players end up with special awards. The game offers a lightning-fast friction acrobatic experience. With its world tour theme, the game offers a new parkour run experience in popular cities around the world. Overall, with its enormous popularity, the game, as intended to spend time with the phenomenon of endless running, also intends to offer a challenging platform in terms of coin collection and the highest continuous distance. Being a Freemium game, it is a proper game in which we can intend to give you the perfect purchase rating that is coveted. Now, since the game is broadcast live on PC too now, go surfing and hit the rails!
