Just download this apk'obb game from here, install it in your device and enjoy the full unlocked version of the valiant hearts of Android. Valiant Hearts is a game that takes place during World War I, the Great War, putting players in the role of four characters; Frenchman Emile, his German son-in-law Karl, American soldier Freddie and Belgian nurse Anna. This game is a mixture of adventure, RPG, dot and click, puzzle and there are some action in this game as well. Ubisoft is trying to give us something new and different that emotionally touch the players and they totally succeed in that. There are only four chapters in this game where the first two chapters are not very impressive and a bit boring. But chapter 3 tells the real story. Overall, it's an excellent game with its emotional unforgettable history, memorable characters and a good message. They represent a rather harsh time, like war, in a very light way. After completing this game I would really like to it's all. And you can try if you really want to try something something yourself in the touching story of four unsung heroes swept through World War I in this unique interactive graphic novel that combines action, puzzles and adventure.
