This title, cuya version for dessert formats os show os hace unos días, acaba de terrizar en formatos iOS y Android, siguiendo la pauta de lo se a seed en las das temporadas pasadas. Y como era de esperar uno de los grandes ganchos tiene que ver con la presencia de LeBron James, el mejor jugador del mundo, estrella que más allá de aparecer en la portada del título también desempeña un papel importante en la jugabilidad del título. Sí, porque uno de los grandes alicientes (y casi la única novedad reseñable) que presenta esta edición es el modo de juego que protagoniza: Camino a la Grandeza. This modo de juego es muy similar al disfrutado en las ediciones de although it has looked a little trimmed. For all those who do not know it, this modality is divided into well-differentiated parts and allows us to the future (fictional, of course) of the Miami Heat star. One of the ways assumes that the player will end his career in the Florida franchise, while the opposite he contemplates the possibility of him leaving the team to go to others... that we won't reveal to you. The case is that this option is quite fun and connects itself, although it is also fair to say that its duration is relatively low. We thought he might have given a little more of himself. Requires Android: 4.0 or above Instructions: 1-Install Apk 2-Open game. Note: The data is included in the APK, you don't need to create folders or anything. NBA 2K14 – a continuation of the arcade basketball simulator on Android. Thanks to a modern engine, the game was simply gorgeous graphics and physics at the highest level! In addition to the multiplayer game modes via Bluetooth, Management has implemented two different styles of virtual crosses and keys, as well as through gestures. Local multiplayer support for installation on the outside of the SD card: no This text is an automatic translation to have a better reference.
