**ABOUT THE ANNUAL MEETING OF SHAREHOLDERS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2019**

What am I voting on?

You will be voting on the following:

- (1) The election of six members of the Board of Directors, each to serve a term expiring at the Annual Meeting of Shareholders in 2021 or until their successors are duly elected and qualified;
- (2) The ratification of the appointment of Centurion ZD CPA & Co. as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2020;
- (3) The consideration and approval of an advisory (non-binding) resolution regarding the compensation of our named executive officers;
- (4) The consideration and action upon an advisory (non-binding) vote on the frequency at which we should include an advisory vote regarding the compensation of our named executive officers in its future proxy statements for shareholder consideration; and
- (5) The transaction of any other business properly coming before the meeting.

Who is entitled to vote?

You may vote if you owned shares of the Company's common stock as of the close of business on August 18, 2020. Each share of common stock is entitled to one vote. As of August 18, 2020, we had 16,191,529 shares of common stock outstanding.

How do I vote before the meeting?

If you are a registered shareholder, meaning that you hold your shares in certificate form, you have two voting options:

- (1) By Internet, which we encourage if you have Internet access, at the address shown on your proxy card;
or
- (2) By mail, by completing, signing and returning the enclosed proxy card.

If you hold your shares through an account with a bank or broker, your ability to vote by the Internet depends on their voting procedures. Please follow the directions that your bank or broker provides.

May I vote at the meeting?

If you are a shareholder of record, you may vote in person at the meeting. You may also appoint an individual as your proxyholder to vote your shares. The proxyholder should bring the properly executed proxy card and a valid ID to the meeting. If you hold your shares through an account with a bank or broker, please follow the directions provided to you by your bank or broker. If you wish to vote in person at the meeting, please contact your bank or broker to learn the procedures necessary to allow you to vote your shares in person. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy. You may vote by proxy through the Internet or by mail.

How do I appoint a proxyholder?

Your proxyholder is the person you appoint to cast your votes on your behalf. You can choose anyone you want to be your proxyholder; it does not have to be either of the persons we have designated in the proxy card. Just write in the name of the person you would like to appoint in the blank space provided in the proxy card. Please ensure that the person you have appointed will be attending the meeting and is aware that he or she will be voting your shares. Proxyholders should speak to the Inspector of Elections upon arriving at the meeting. Please note that the option to appoint your own proxyholder is not available if you vote by Internet or by mail.

If you sign the proxy card without naming your own proxyholder, or, if you vote by Internet or by mail, you appoint Hao Qinghu and Tan Wanhong as your proxyholders, either of whom will be authorized to vote and otherwise act for you at the meeting, including any continuation after adjournment of the meeting.

How will my Common Stock be voted if I give my proxy?

On the proxy card, you can indicate how you want your proxyholder to vote your shares, or you can let your proxyholder decide for you by signing and returning the proxy card without indicating a voting preference in one or more proposals. If you have specified on the proxy card how you want to vote on a particular proposal (by marking, as applicable), then your proxyholder must vote your shares accordingly.

If you have not specified how to vote on a particular proposal, then your proxyholder can vote your shares as he or she sees fit. If you specify how to vote on a particular proposal, then your proxyholder will vote your shares as specified. With respect to the election of directors, proxyholders have an obligation to vote for nominees whether identified on the preprinted card or not identified (that is, write-in candidates). Thus, should any shareholder attempt to “write in” a vote for a nominee not identified on the preprinted card (and described in these proxy materials), the proxyholders will vote the shares represented by that proxy for such write-in candidate. If any of the nominees (including write-in candidates) should be unable or decline to serve, which is not now anticipated, the proxyholders shall have discretionary authority to vote for a substitute who shall be designated by the present Board of Directors to fill the vacancy. Unless you specify voting instructions, Hao Qinghu and Tan Wanhong, as your proxyholders, will vote your shares as follows:

FOR the election of six members of the Board of Directors, each to serve a term expiring at the Annual Meeting of Shareholders in 2021 or until their successors are duly elected and qualified;

FOR the ratification of the appointment of Centurion ZD CPA & Co. as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2020;

FOR the approval of an advisory (non-binding) resolution regarding the compensation of our named executive officers; and

FOR the approval of an ANNUAL advisory (non-binding) vote on the frequency at which we should include an advisory vote regarding the compensation of our named executive officers in its future proxy statements for shareholder consideration; and

FOR the approval of the transaction of any other business properly coming before the meeting.

Can I change my mind after I return my proxy?

You may change your vote at any time before the polls close at the conclusion of voting at the meeting. You may do this by (1) signing another proxy card with a later date and returning it to us before the meeting, (2) voting again over the Internet prior to 3:00 P.M. Eastern Time on September 25, 2020, or (3) voting at the meeting if you are a registered shareholder or have followed the necessary procedures required by your bank or broker.

What if I return my proxy card but do not provide voting instructions?

Proxies that are signed and returned but do not contain instructions will be voted in favor of each proposed director in Proposal 1, FOR Proposals 2 and 3 and for “Every year” for Proposal 4 and in accordance with the best judgment of the named proxies on any other matters properly brought before the meeting.

What does it mean if I receive more than one proxy card or instruction form?

It indicates that your shares of common stock are registered differently and are in more than one account. To ensure that all shares are voted, please either vote each account on the Internet, or sign and return all proxy cards. We encourage you to register all your accounts in the same name and address. Those holding shares through a bank or broker should contact their bank or broker and request consolidation.

Will my shares be voted if I do not provide my proxy or instruction form?

If you are a registered shareholder and do not provide a proxy, you must attend the meeting in order to vote your shares. If you hold shares through an account with a bank or broker, your shares may be voted even if you do not provide voting instructions on your instruction form. Brokerage firms have the authority to vote shares for which their customers do not provide voting instructions on certain routine matters. The ratification of Centurion ZD CPA & Co. (“Centurion”) as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2020 is considered a routine matter for which brokerage firms may vote without specific instructions. However, election of directors is no longer considered a routine matter for which brokerage firms may vote without specific instructions. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. Shares that a broker is not authorized to vote are counted as “broker non-votes.”

How can I attend the meeting?

The meeting is open to all holders of the Company’s shares of common stock as of August 18, 2020.

May shareholders ask questions at the meeting?

Yes. Representatives of the Company will answer questions of general interest at the end of the meeting. You may also submit questions in advance via email to ir@moxianglobal.com. Such questions will also be addressed at the end of the meeting.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by Internet or mail. In order for us to conduct our meeting, one-half (½) of our outstanding shares of common stock as of August 18, 2020 must be present in person or by proxy. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the meeting.

How many votes are needed to approve the Company’s proposals?

Proposal 1. The six nominees candidates receiving a plurality of the vote of “For” votes will be elected as directors. The proxy given will be voted “For” each of the nominees for director unless a properly executed proxy card is marked “Against” as to a particular nominee or nominees for director.

Proposals 2, 3 and 4 shall be determined by a majority of the votes cast affirmatively or negatively on the matter. The proxy given will be voted “For” each of the proposals unless a properly executed proxy card is marked “Against” as to with respect to such proposal. Please note that proposals 3 and 4 are non-binding advisory votes. Please note further that proposal 4 requires shareholders to vote for every one, two or three years as to frequency.

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers has been convicted in a criminal proceeding, excluding traffic violations or similar misdemeanors, or has been a party to any judicial or administrative proceeding during the past ten years that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities or commodities laws, any laws respecting financial institutions or insurance companies, any law or regulation prohibiting mail or wire fraud in connection with any business entity or been subject to any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organization, except for matters that were dismissed without sanction or settlement. None of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Director Independence

The Board of Directors has reviewed the independence of our directors, applying the NASDAQ independence standards. Based on this review, the Board of Directors determined that each of Lionel Choong, Wendy Wang, William Yap and David Cheang are independent within the meaning of the NASDAQ rules. In making this determination, our Board of Directors considered the relationships that each of these non-employee directors has with us and all other facts and circumstances our Board of Directors deemed relevant in determining their independence. As required under applicable NASDAQ rules, we anticipate that our independent directors will meet on a regular basis as often as necessary to fulfill their responsibilities, including at least annually in executive session without the presence of non-independent directors and management.

Board Leadership Structure

Mr. Hao Qinghu currently holds the position of Chief Executive Officer. William Yap is currently the Chairman of the Board of Directors. The Board of Directors believes that separating the roles of Chief Executive Officer and Chairman of the Board of Directors is in the best interests of the Company and its shareholders. Separating such roles allows our Chief Executive Officer to focus completely on operations the Chairman to direct the execution of corporate strategies.

We do not have a lead independent director because of our Chief Executive Officer and Chairman are not held by the same person, and also because we believe our independent directors are encouraged to freely voice their opinions on a relatively small company board.

Risk Oversight

Our Board of Directors plays a significant role in our risk oversight. The Board of Directors makes all relevant Company decisions. As a smaller reporting company with a small Board of Directors, we believe it is appropriate to have the involvement and input of all of our directors in risk oversight matters.

**WE RECOMMEND THAT YOU VOTE FOR THE ELECTION OF THE
NOMINEES TO THE BOARD OF DIRECTORS.**

**PROPOSAL TWO
RATIFICATION OF THE APPOINTMENT OF CENTURION
(ITEM 2 ON THE PROXY CARD)**

What am I voting on?

A proposal to ratify the appointment of Centurion ZD & Co. (“Centurion”) as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2020. The Audit Committee of the Board of Directors has appointed Centurion ZD CPA & Co to serve as the Company’s fiscal year 2020 independent registered public accounting firm. Although the Company’s governing documents do not require the submission of this matter to shareholders, the Board of Directors considers it desirable that the appointment of Centurion be ratified by shareholders.

Has the Company changed its independent registered public accounting firm during its two most recent fiscal years?

No. Centurion served as the Company’s independent registered public accountant for the past two fiscal years.

What services does Centurion ZD CPA & Co provide?

Audit services provided by Centurion for fiscal 2020 will include the examination of the consolidated financial statements of the Company and services related to periodic filings made with the SEC.

Will a representative of Centurion be present at the meeting?

No, because of the current travel restrictions due to Covid-19, a representative of Centurion will not be present at the meeting. However, one or more representatives of Centurion will attend the meeting by teleconference. The representatives will have an opportunity to make a statement if they desire and will be available to respond to questions from shareholders.

What if this proposal is not approved?

If the appointment of Centurion is not ratified, the Audit Committee of the Board of Directors will reconsider the appointment.

**WE RECOMMEND THAT YOU VOTE FOR THE RATIFICATION OF
CENTURION AS THE COMPANY’S FISCAL 2020 INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM.**

PROPOSAL THREE
ADVISORY VOTE ON EXECUTIVE COMPENSATION
(ITEM 3 ON THE PROXY CARD)

Background

Section 14A of the Exchange Act, which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, requires that, not less frequently than once every three years, we provide shareholders with an advisory vote on the compensation of our named executive officers as disclosed herein. Accordingly, we are requesting your advisory (non-binding) approval of the compensation of our named executive officers as disclosed in Employment Agreements with the Company's Named Executive Officers, Summary Compensation Table, and related narrative disclosures in this Proxy Statement. This non-binding advisory vote is commonly referred to as a "Say-on-Pay" vote. Please read Employment Agreements with the Company's Named Executive Officers, and Summary Compensation Table of this Proxy Statement for a detailed discussion about our executive compensation and information about the fiscal 2019 compensation of our named executive officers.

Our compensation program is designed to reward each individual named executive officer's contribution to the advancement of our overall performance and execution of our goals, ideas and objectives. It is designed to reward and encourage exceptional performance at the individual level in the areas of organization, creativity and responsibility while supporting our core values and ambitions. This in turn aligns the interest of our executive officers with the interests of our shareholders, and thus with our interests.

Our Compensation Committee and our Board believe that these policies and procedures are effective in implementing our compensation philosophy and in achieving our goals.

We are asking you to indicate your support for the compensation of our named executive officers as described in this Proxy Statement. This vote is not intended to address any specific item of compensation, our general compensation policies, the compensation of our Board, or our compensation policies as they relate to risk management. Rather, this vote relates to the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we are asking you to vote, on an advisory basis, "For" the following resolution at the Annual Meeting:

"RESOLVED, that the shareholders of Moxian, Inc. (the "Company") hereby approve, on an advisory basis, the compensation paid to the Company's named executive officers, as disclosed in the Summary Compensation Table, and related narrative disclosures in this Proxy Statement."

As an advisory vote, this proposal is not binding on Moxian, and will not require us to take any action or overrule any decisions we have made. Furthermore, because this advisory vote primarily relates to compensation that has already been paid or contractually committed to our named executive officers, there is generally no opportunity for us to revisit these decisions. However, our Board, including our Compensation Committee, values the opinions of our shareholders and, to the extent there is any significant vote against the compensation of named executive officers as disclosed in this Proxy Statement, we will consider our shareholders' concerns and evaluate what actions, if any, may be appropriate to address those concerns.

Vote Required

Approval of this resolution shall be determined by a majority of the votes cast affirmatively or negatively on the matter, assuming a quorum is present.

**WE RECOMMEND THAT YOU VOTE FOR APPROVAL OF
THE FOREGOING RESOLUTION.**

PROPOSAL FOUR
ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE
ON EXECUTIVE COMPENSATION
(ITEM 4 ON THE PROXY CARD)

As described in Proposal 3 above, shareholders are being provided the opportunity to cast an advisory vote on our executive compensation program, commonly referred to as a “Say-on-Pay Vote.” This Proposal 4 affords shareholders the opportunity to cast an advisory vote on how often we should include a Say-on-Pay Vote in our proxy materials for future annual shareholder meetings. Shareholders may vote to have the Say-on-Pay Vote every year, every two years or every three years.

Accordingly, we are requesting an advisory, non-binding vote on how frequently we should seek an advisory Say-on-Pay vote from our shareholders. This non-binding advisory vote is commonly referred to as a “Say-on-Frequency” vote. You have the option to vote for any one of the three options, or to abstain on the matter. For the reasons described below, our Board recommends that our shareholders select a frequency of one year, or an annual vote. Our Board has determined that an advisory vote on executive compensation every year is the best approach for us based on a number of considerations, including the following:

- The interests of shareholders are best advanced by having annual input into the compensation decisions of the Company; and
- An annual voting cycle gives our Board and the Compensation Committee more timely feedback to consider the results of the advisory vote, to engage with shareholders to understand and respond to the vote results and effectively implement any appropriate changes to our executive compensation policies and procedures.

We understand that our shareholders may have different views as to what is the best approach for us, and we look forward to hearing from our shareholders on this Proposal 4. You may cast your vote on your preferred voting frequency by choosing the option of three years, two years, one year, or abstain from voting when you vote in response to the resolution set forth below:

“RESOLVED, that the shareholders of Moxian, Inc. (the “Company”) hereby approve, on an advisory basis, that the frequency with which they prefer to have a Say-on-Pay vote is:

- Every three years;
- Every two years;
- Every year; or
- Abstain from voting.”

You are not voting to approve or disapprove our Board’s recommendation. While this advisory Say-on-Frequency vote is non-binding on us, and we may hold Say-on-Pay vote more or less frequently than the preference receiving the highest number of votes of our shareholders, our Board and Compensation Committee will give careful consideration to the choice that receives the most votes when considering the frequency of future Say-on-Pay Votes.

Vote Required

Generally, approval of any matter presented to shareholders is determined by a majority of the votes cast affirmatively or negatively on the matter, assuming a quorum is present. However, given that this vote is advisory and non-binding, if none of the frequency options receive a majority of the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by the shareholders. In such instance, while none of the three alternatives will have been approved, shareholders will still have the ability to communicate their preference with respect to this vote.

**WE RECOMMEND THAT YOU VOTE FOR INCLUDING AN ADVISORY VOTE REGARDING THE
COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS IN THE COMPANY’S PROXY STATEMENT
FOR SHAREHOLDER CONSIDERATION EVERY YEAR.**

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE INFORMATION

What if a nominee is unwilling or unable to serve?

The nominees listed in the Proxy Statement have agreed to serve as directors if elected. If for some unforeseen reason a nominee becomes unwilling or unable to serve, proxies will be voted for a substitute nominee selected by the Board of Directors.

How are directors compensated?

All directors hold office until the expiration of their respective terms or until their successors have been duly elected and qualified. There are no family relationships among our directors or executive officers. Officers are elected by and serve at the discretion of the Board of Directors. Our non-employee directors on our Board of Directors receive the amounts set forth in their appointment letters, which vary between \$0 and \$36,000 annually.

(1) James Tan was appointed to the Board on October 21, 2019.

How does the Board determine which directors are independent?

The Board of Directors reviews the independence of each director yearly. During this review, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationships or transactions are inconsistent with a determination that the director is independent in light of applicable law, listing standards and the Company's director independence standards. The Company believes that its independent directors are deemed to be independent under the definition of independence provided by NASDAQ Listing Rule 5605(a)(2).

What role does the Corporate Governance and Nominating Committee play in selecting nominees to the Board of Directors?

Two of the primary purposes of the Board's Corporate Governance and Nominating Committee are (i) to develop and implement policies and procedures that are intended to ensure that the Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and its shareholders and (ii) to identify individuals qualified to become members of the Board of Directors and to recommend to the Board of Directors the director nominees for the annual meeting of shareholders. The Corporate Governance and Nominating Committee is also responsible for considering candidates for membership on the Board of Directors submitted by eligible shareholders. The Corporate Governance and Nominating Committee's charter is available on the Company's website at www.moxianglobal.com under Investor Relations and in print upon request. The Corporate Governance and Nominating Committee of the Company's Board of Directors was the only entity or person to nominate and/or recommend any of the director nominees.

Are the members of the Corporate Governance and Nominating Committee independent?

Yes. All members of the Corporate Governance and Nominating Committee have been determined to be independent by the Board of Directors.

How does the Corporate Governance and Nominating Committee identify and evaluate nominees for director?

The Corporate Governance and Nominating Committee considers candidates for nomination to the Board of Directors from a number of sources. Current members of the Board of Directors are considered for re-election unless they have notified the Company that they do not wish to stand for re-election. The Corporate Governance and Nominating Committee also considers candidates recommended by current members of the Board of Directors, members of management or eligible shareholders. From time to time the Board may engage a firm to assist in identifying potential candidates, although the Company did not engage such a firm to identify any of the nominees for director proposed for election at the meeting. The Corporate Governance and Nominating Committee evaluates all candidates for director, regardless of the person or firm recommending such candidate, on the basis of the length and quality of their business experience, the applicability of such candidate's experience to the Company and its business, the skills and perspectives such candidate would bring to the Board of Directors and the personality or "fit" of such candidate with existing members of the Board of Directors and management. The Corporate Governance and Nominating Committee does not have a specific policy in place with regard to the consideration of diversity when identifying director nominees; however, the Corporate Governance and Nominating Committee does consider diversity of opinion and experience when nominating directors.

What are the Corporate Governance and Nominating Committee's policies and procedures for considering director candidates recommended by shareholders?

The Corporate Governance and Nominating Committee will consider all candidates recommended by shareholders. A shareholder wishing to recommend a candidate must submit the following documents to the Secretary of the Company at Units B & C, Block D Fuhua Tower, 8 Chaoyangmen North Street, Dongcheng District Beijing 100027, China:

- a recommendation that identifies the name and address of the shareholder and the person to be nominated;
- the written consent of the candidate to serve as a director of the Company, if elected;
- a description of all arrangements between the shareholders and such nominee pursuant to which the nomination is to be made; and
- such other information regarding the nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC.

If the candidate is to be evaluated by the Corporate Governance and Nominating Committee, the Secretary will request a detailed resume, an autobiographical statement explaining the candidate's interest in serving as a director of the Company, a completed statement regarding conflicts of interest, and a waiver of liability for a background check from the candidate.

What are the minimum qualifications required to serve on the Company's Board of Directors?

All members of the Board of Directors must possess the following minimum qualifications as determined by the Corporate Governance and Nominating Committee:

- A director must demonstrate integrity, accountability, informed judgment, financial literacy, creativity and vision;
- A director must be prepared to represent the best interests of all Company shareholders, and not just one particular constituency;
- A director must have a record of professional accomplishment in his or her chosen field; and
- A director must be prepared and able to participate fully in Board activities, including membership on committees.

What other considerations does the Corporate Governance and Nominating Committee consider?

The Corporate Governance and Nominating Committee believes it is important to have directors from various backgrounds and professions in order to ensure that the Board of Directors has a wealth of experiences to inform its decisions. Consistent with this philosophy, in addition to the minimum standards set forth above, business and managerial experience and an understanding of financial statements and financial matters are very important.

How may shareholders communicate with the members of the Board of Directors?

Shareholders and others who are interested in communicating directly with members of the Board of Directors, including communication of concerns relating to accounting, internal accounting controls or audit matters, or fraud or unethical behavior, may do so by writing to the directors at the following address:

Name of Director or Directors
c/o Secretary

People's Republic of China
