Remove temporary files

Choose which items you'd like to permanently remove to free up disk space.

☐

Temporary files 37.1 MB
Apps can store temporary information in specific folders. These can be cleaned up manually if the app does not do it automatically.

☐

Downloads folder 5.78 GB
This folder contains files downloaded from the internet.

☐

Empty recycle bin 52.0 KB
The recycle bin contains files you have deleted from your computer. They will be permanently removed when the recycle bin is emptied.

☒

Previous version of Windows 5.00 GB
These files give you the option to go back to your previous version of Windows. Eventually, they'll be deleted automatically. To free up space, you can delete them now.
