After being collected from your hotel in the morning, you will venture to Jinvali, which is the largest reservoir of eastern Georgia. Following this, you will head toward the fortress of Ananuri, which is one of the best monuments of late feudal Georgia, and although there are not so few of these monuments in Georgia, it is Ananuri that helps people understand exactly how people lived at that distant time. Ananurian structures, unlike other similar cultures, are perfectly preserved. This particular feature evokes interest in the fortress of both tourists and historians, and since 2012, the fortress has the status of a UNESCO World Heritage Site. In the early afternoon, you will experience Gudauri, a ski resort situated on a south-facing plateau of the greater Caucasus Mountain, 2,200 meters above sea level (in the winter season you can even enjoy skiing). Later on, you will see the People's Friendship Arch, which was the inspiration of the famous sculptor Tsereteli. It was built at an altitude of 2,384 meters in the Kazbegi district, on a cross pass near the Military Georgian Road. Later in the afternoon, you will tour Stepantsminda (Kazbegi), a Trinity Church in Gergeti. Among the snow-covered ranges and on the slope of the majestic mountain of Kazbegi, you will find the ancient Georgian Trinity Church. It is located at an altitude of 2,170 meters near the town of Stepantsminda and the village of Gergeti, in honor of which it was named. It is widely known as the Trinity Church in Gergeti, but the Georgians refer to it as "Gergetis Tsminda Sameba". Following this church trip, you will have free time in Kazbegi, before you are dropped off at your accommodation.

Very experience Travel Group.

Jun 2023 • Solo

A fabulous 11 days trip expertly planned by Manish Blissful Group. First visit to Italy then switzerland then France and bowled over by the scenery, friendly people, delicious food, fascinating culture and amazing DisneyLand. Just what we needed for our first long trip.

Blissful Travel Group took the time and really paid attention to what we wanted and planned the trip meticulously to ensure the right balance between activities and relaxation and sought out some very special places for us to stay. Our driver / tour guide made it an exceptional trip - his love for his country and sharing it with visitors shone through.

Thanks, will join in future international and domestic trips.

One of the Best tours of my Life 🍌 😊

I'm from Canada.It was my first time with Travel KHILADI though.But altogether it was an amazing experience including

- zero stress level,
- friendly environment,
- easily affordable,
- well organized and
- responsible tour guides.

I was little scared in the beginning as everybody was a stranger but eventually all my doubts reduced to zero.

I certainly recommend Travel Khiladi to turn your solo trips to group one.

Thanks to Travel Khiladi for making me a part of this trip. And I'll definately be part of upcoming tours of TRAVEL KHIKADI.

Maldives maafushi travelkhiladi

Fabulous trip, good arrangement. Poonam,trip leader, a big hug and commendable handling of the trip. Everything was smoothly handled,no hiccups. Hotel was good..right at the beach..had a great time was not expecting it to be this good being a first time solo traveller but came back with great memories and made good friends.kudos to Neha too.well done travel khiladi and hope to make more trips with you guys. I guess finally it's also a lot to do with what sort of people are in the group. In my experience,the group was really accomadating..friendly with no hangups hence ended up having a lot of fun together.
