Setting: Floating on the waves. You are a Wakfu. You are in the job of a guardian. There are horrible monsters all over the lands and you are the savior of the people. Because you can easily gather huge amounts of materials, you can do quite many things. But if you can not do it you can ask the other Wakfu to do it for you. Those are your friends and they are also the hero. So you have to be careful with them. You have to help them but you have to use your brains to win!  
Story: The land you live in is very dangerous. Monsters are appearing and are killing everything. You have to collect enough materials to protect your village. In

---

the village there are many shops. And because you know so many things you can buy many useful things. You can also have animals which you can breed with other animals. You can even have your own pet! But before you can do all these things, you have to win a competition. Modes: There are 5 modes: The Story is a single player adventure mode. There is no difficulty so you can play it alone or with a friend. You can play 4 different multiplayer modes with your friends! It is time to party! The Survival is a competitive mode. You have to survive as long as possible in the given time. You need to collect enough resources to buy good weapons. And you need to sell your weapons to other players. Be careful because there are many monsters in the world and you have to be careful not to get killed! The Alliance is a cooperative mode. There are two teams. You have to defeat the enemy together. And for each victory there will be some rewards. The Chaos is a competitive mode. There are two teams. You have to gather as much resources as you can to defeat the enemy. And you will have to try to play better with your friends. The Empire is a cooperative mode. There are two teams. You have to defeat the enemy together. And for each victory there will be some rewards. You have to collect as 520fdb1ae7
