Back came the decree. Funcab reveals the rules of opening a public tender to the Federal Highway Police for the provision of 216 vacancies as an administrative agent. The feature requires a full average level and has an initial salary of 3.5 thousand rubles. The Federal Highway Traffic Police has just issued a notice of opening a public tender for 216 administrative agent vacancies for stockings across the country. Check out all about the contest, see the notice, job allocation and registration period, in the link that follows: PRF Competition 2014 Administrative Agent News on the permit contest provided for by the Federal Highway Police in 2014. Resolution 557/2013, published on 27 December in the Official Gazette, gives a hunt to the general public that the Ministry of Planning, Budget and Management has authorized a public tender for the provision of 216 posts as an administrative agent of the Special Plan of posts of the Federal Highway Police Administration. The feature will require a full high school - See the resolution. According to the resolution, the period of publication of the tender notice is up to six months, that is, it will be published by the end of June 2014. The company that will coordinate and organize the competition has already been identified and will be Professor Carlos Augusto Ofecourt Foundation - FUNCAB. The provision of posts depends on the availability of vacancies as of the date of appointment; Statement of the relevant floating costs in providing these posts on the budgetary and financial adequacy of new expenditures to the Annual Budget Act; and the replacement of all external workers performing activities not covered by the law, whose names must be published before the appointment of approved candidates. Responsibility for the tender will be held by the Director General of the Federal Road Police Department, who will be responsible for reducing the relevant rules by using notices, regulations or other administrative actions. More information about this contest soon. Subscribe to the site and get email news about open competitions across the country. The last competition prf competition for the position of administrative agent took place in 2009 and was organized by Cespe / UnB, offering as many as 71 vacancies for the positions of top-level technician, technician in education and administrative agent.
