

Request to Book an Ikebana Event

Thank you for contacting the San Diego Chapter of Ikebana International (I.I. San Diego). Ikebana is a beautiful Japanese art form, and we appreciate the opportunity to potentially share our passion at your event.

We generally offer two types of experiences:

- Demonstrations: A presenter provides information and models how to create arrangements.
- Workshops: Hands-on, interactive experiences, typically for groups of 25 or fewer.

Fees range from \$100.00 to \$500.00 (or more) depending on the type of experience, supplies, number of participants, and location.

To help us understand your needs, please complete this form, scan and Email it to sandiegoikebana@gmail.com. Once we receive this information, one of our members will contact you.

Please note that we are a volunteer-run organization, not a business, with a limited number of available practitioners. This inquiry does not guarantee a demonstration or workshop; individual artists and the contracting party are responsible for confirming any final agreements in writing.
