Neha (Disha Patani) calls her ex-boyfriend and army ranvir (Tiger Shroff) to find his 3-year-old daughter Rhea, who was kidnapped two months ago. Ranveer aka Ronnie has to solve the mystery of the missing child. BAAGHI 2 REVIEW: Baaghi 2 is an all-in-one action movie with suspense and elements of a thriller. The first half is all about setting up. A distraught mother extends a helping hand to her ex-boyfriend Ronnie. But as soon as Ronnie starts investigating the case, he learns that no one has a clue about Neha's daughter. The build-up is slow but steady and with the interval of time the film manages to pique the audience's interest. It takes some time to establish the story, the suspense, and it's the characters. There are a few action sequences in the first half, but the focus remains on Neha's relationship and Ronnie's relationship and how their past affects their present. The second half though is a completely different tale. The slow pace of suspense and romantic track give way to twists, turns and action-packed finales. Ronnie goes from a slightly confused soldier to a completely bloodthirsty lunatic with nothing but revenge on his mind. This gives Tiger Shroff the opportunity to show his martial arts skills in all its glory. He turns into a desi version of Rambo as he destroys an entire army with flaming guns and high flying feet. It is here that director Ahmed Khan's film trades style on its merits. The focus is on belting out slick action sequences that look cool. It's disappointing that the story suffers in this attempt to impress with action choreography and stunts. There are quite a few plot shows and character twists in the second part of Baaghi 2, but they are not made convincingly. The direction fluctuates as the initial tempo of the film, which is set for thrills, does not fit into the high on the action and adrenaline of the second half. If you grew up on Sylvester Stallone and Arnold Schwarzenegger movies, the sight of Tiger Shroff wreaking havoc as a one-man army can be exhilarating. Tiger removes his trademark kicks and punches with easy ease. He looks good as a torn and intense soldier is waging war against the bad guys. For most parts, the film sticks to the strengths of its leading man, and it's a smart decision. In many flashbacks in the first half, Dish plays a charming college girl too, but it's the beat and bruising mother part of that where she's most attractive. The film also features supporting performances by Randip Huda, Deepak Dobrial and Manoj Baipayi. But these powerhouse performers have weak and cliched characters that don't really pay tribute to their talents. Prateik Babbar plays Shun Nehi, but he snorts and mocks the role, leaving no influence. As with any commercial film, there is also music and dance on offer. But the songs violate the violate Movie. Remixes by Mundyan Toha Bach Ke and Ek Do Teen, which have a special appearance on Jacqueline Fernandez, only add to the length of the film. At 2 hours 25 minutes Baaghi 2 seems too long. With better editing and a tight script it would have been a packed stronger punch. However, for fans of the action genre, Baaghi 2 can be a one-off hour.
