

Linkin Park - The Untitled (In the End)

[Intro: Chester Bennington]

It starts with one...

[Verse 1: Mike Shinoda with Chester Bennington]

One, then multiplies 'til you can taste the sun
And burned by the sky you try to take it from
But if it falls, there's no place to run
Crumbling down, it's so unreal

They're dealing you in to determine your end
And sending you back again, to places you've been
And bending your will 'til it breaks you, within
And still, they fill their eyes

[Pre-Chorus: Mike Shinoda with Chester Bennington]

With the twilight through the skylight
And the highlights on a frame of steel
See the brightness of your likeness

As I write this on a pad with the way I feel

Hear the screaming in my dreaming
As it's seeming that you've played your part
Like you're heartless, take apart this
In the darkness, but I know that I've tried so hard

[Chorus: Chester Bennington]

I tried so hard and got so far
But in the end, it doesn't even matter
I had to fall to lose it all
But in the end, it doesn't even matter

[Verse 2: Mike Shinoda with Chester Bennington]

I've looked down the line
And what's there is not what ought to be
Held back by the battles they fought for me
Calling me to be part of their property
And now, I see that I get no chance

I get no break
Fakes and snakes quickly **lead** to mistakes
And as the tightrope within slowly starts to thin
I can only hope that they close their eyes

[Pre-Chorus: Mike Shinoda with Chester Bennington]

To the twilight through the skylight
And the highlights on a frame of steel
See the brightness of your likeness
As I write this on a pad to the way I feel

Hear the screaming in my dreaming
As it's seeming that you've played your part
Like you're heartless, take apart this
In the darkness, but I know that I tried so hard

[Chorus: Chester Bennington]

I tried so hard and got so far
But in the end, it doesn't even matter
I had to fall to lose it all
But in the end, it doesn't even matter

[Bridge: Chester Bennington]

I've put my trust in you, pushed as far as I can go
For all this, there's only one thing you should know
I've put my trust in you, pushed as far as I can go
For all this, there's only one thing you should know
I've put my trust in you, pushed as far as I can go
For all this, there's only one thing you should know

[Chorus: Chester Bennington]

I tried so hard and got so far
But in the end, it doesn't even matter
I had to fall to lose it all
But in the end, it doesn't even matter
