8

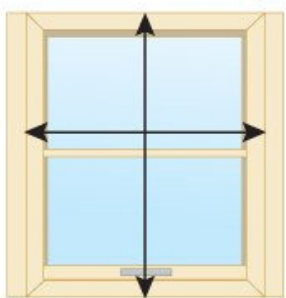

MEASUREMENTS

Follow example to accurately submit measurements. Use the next page to draw your own. View Floorplan video in your Look Book portal page to learn how to.

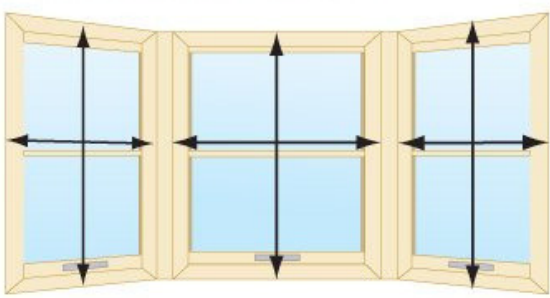

If you desire blinds or valances or drapes, measure your window

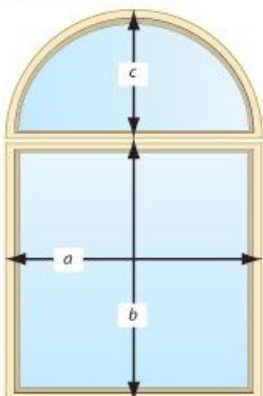

Please provide measurements to the outside of the window frames

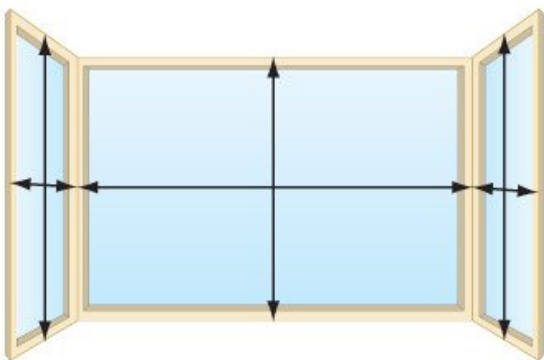

Sash window

Bay and Sunshine bay windows - please measure each window section individually

Arched window - this window would require three measurements

Box bay window - please measure each window section individually

Draw below
