

Sniffing and Casting Out Demons from Your Person

The following are common effects that may indicate demon activity against you, your loved ones or property. If these symptoms fit you, do not be alarmed, anxious, or fearful. I have included prayers at the end of this document to help you get rid of them. If you have confessed Jesus as your Lord and Savior, Scripture, "Greater is He that is in you than he that is in the world." If you have not accepted Jesus please read Romans 10:9,10 before you go any further. Now, please confess Jesus as your Lord and Savior before proceeding. Here is a simple prayer to guide you. *"I believe that Jesus came to earth, died, was buried, and rose again. I repent of my sins and now confess and accept Jesus Christ as my Lord and Savior. I ask the Holy Spirit to indwell me and direct my life according to the will of God, the Father."*

Sniffing and Casting Out Demons from Your House

The following are common effects that may indicate demon activity in your house, vehicle or property. If these symptoms fit you, do not be alarmed, anxious, or fearful. Greater is He that is in you than he that is in the world. If there are sins involved, present or past, repent of them then, with determination, audibly command the spirits to leave and never return.

- Walk through all rooms of your home. Are there rooms that feel more peace than others? Do you look at an object in the room and not have peace about it? Make a note of your discoveries or where God's peace and presence seem to be lacking or even that you can feel an evil spirit infiltrated the room.
- Discern the rooms that seem spiritually disruptive to you. Ask yourself the following questions:
 - Was there a recent conflict in the room?
 - Did someone return from an international trip or purchase an object overseas?
 - Is a computer present where pornography could have been watched?
 - Is the person occupying that room under spiritual attack?
 - Is a TV or radio in that room so something could have been watched or played that released a demonic presence?
 - Did you recently have visitors in your home or deliverance ministry released?
 - Has a person in the home opened the door to witchcraft practices?

- Is there emotional bondage in a family member?

Pray through the rooms of your home, anoint each room with oil and speak out loud and command by saying, "All demons leave this room and this home in Jesus' name." If you know the name of the demon, such as heaviness or conflict, then command it to go by name, saying, "Demon of heaviness or demon of conflict, get out in Jesus' name." Then speak and declare good things like the presence of God and fruits of the Spirit to come into the room. Anoint the entrance doors of your house and declare that according to Psalms 91:10, *There shall no evil befall me, neither shall any plague come nigh my dwelling*. Praise and worship paralyzes demons so playing anointed worship music in your house is helpful. Do not reopen doors and be discerning of what you allow in and out of your home. Maintain an atmosphere that accommodates the presence of the Holy Spirit.

Spiritual Warfare Prayer

Instructions: Please anoint your home and car and body and say this pray and declaration aloud. If you are married make sure your spouse is in agreement. If he or she is not, pray it anyway.

"I believe and accept Jesus Christ as the Son of God who died for my sins, rose from the dead and ascended into heaven where He intercedes for me at the Right hand of the Father with all authority in heaven and in earth. I ask you to forgive me of all my sins and cleanse me of all unrighteousness. Cover me in the blood of Jesus and deliver me from all demons and evil.

I now renounce any and all thoughts, words, behaviors, associations, affiliations, persons, media, and all influences that are not of you, and ask you to break all ungodly soul ties formed with anyone emotionally, physically, sexually, or virtually. In Jesus name, I bind all demons opposing my mind and/or attached to me, my family, and my property and command you to leave now and never return. In Jesus name, I break and remove from me all curses, addictions, demonic strongholds, evil prophesies, diseases, spirits of pride, lust, rage, laziness, ungodly passions, restlessness, and any and all that contradicts Your Word and nature.

Father, I surrender my life to You and ask You to please remove all sinful affections and desires from me. I ask You to fill me with Your Holy Spirit and let Your nature be expressed in me, so all will know that I belong to You.

I ask that all that Jesus procured for me in the New Covenant will come to me and let all that the enemy took from me be restored according to Your will.

Help me to resist the things of this world, no matter how attractive they may be, and help me to obey, follow You, and serve You in a Bible-believing local church.

You said that whatever we ask in Your name and according to Your will, You will do it, so I ask you to assist me in carrying out all that I declared in this prayer in your name. Thank You for hearing and answering my prayer in Jesus Name. Amen.

Demons are very relentless and tend to return seeking entrance (Matthew 12:45). So, please stay in close relationship with the Lord Jesus and repeat these prayers if needed. It is important to be part of a local Bible-teaching church where you can get covering. If you still need prayer, please contact us at Exciting Central Tampa Baptist Church. God bless you.
