The Calgary Women's Chorus is a community chorus that wants to celebrate and encourage your poetic voice this Spring! In conjunction with our final concert of the season, called "The Poet Sings," we recognize the power of the written word to move us, make us laugh, to think, or even cry.

Submit your best poem - you may win a cash prize! Some of the poems will be performed (and all poems will be displayed) for our audience at our concert on May 26th, 2024. All the details on how to enter are on our website. The deadline to enter is April, 26th, 2024. Get creative Calgary!

A poem lives in the heart of each of us, like a song waiting to be sung.
