Christianity is currently the largest religion in the world, with about 2 billion followers worldwide. Most Christians live in Europe, South America and North America, including about 159 million in the United States. A main symbol of Christianity is the cross because Jesus was crucified. Crucifixion was a method used for execution during the days of Roman rule. Historians have recently adopted the use of the abbreviation CE (Common Era) and ECB (Before the Common Era) when referring to dates. In texts printed before using these abbreviations, dates will appear as BC and AD. What do these old abbreviations mean and how do dates from BC and AD to EC and ECB convert? According to the U.S. State Department, there are about six million Muslims in the United States, and Islam is expected to be the second largest religion in this country by 2010. The main symbol associated with Islam is a combination of a crescent on the left with a crescent-centered star on the right. About half of the U.S. population says they are Christian. Based on the information in this reading, what is the relationship between Muslims and Christians in the United States? What does this report mean? Hinduism is currently the third largest religion in the world, with about 900 million followers worldwide. Most Hindus live in India, followed by the United Kingdom and the United States, in this order. Among the world's religions, where does Hinduism rank in age? Many women from the country of India placed a red dot on their foreheads. Explain what this symbol is and what it is. Buddhism is the fourth largest religion in the world today, with about 360 million followers called Buddhists living mainly in northeast India, as well as in China, Japan, Korea, Tibet, Mongolia and Southeast Asia. Can Americans be more familiar with what form of Buddhism? What is a sanctuary? If you don't know the answer, search for the word online or in the dictionary. Sikhism is the fifth largest religion in the world today, with about 23 million followers called Sikhs living mainly in the state of Punjab in India, as well as in Britain, Canada and the United States. How many gurus have there been in Sikhism? List the five symbols of Sikhism that are worn by men and what each symbolizes. Judaism is one of the oldest religions still practiced today, and Judaism is the foundation for the world's two greatest religions, Christianity and Islam. Which group in Judaism follows Jewish traditions more literally? Some Jews worship minyan, a service that is led by lay people instead of a rabbi. What is the difference between a rabbi and a layman? Do other religions have lay people? Baha'i faith has about 5 million followers called Baha'is who live mainly in northeast India, the United States, Iran and Vietnam. Baha'is follow follow teachings of Baha'u'llah, the founder of the Baha'i faith who lived in Tehran, Iran and began religion in 1863. Select one of the prophets listed in the reading and do some research on this prophet. Name the religion or religions that recognize this prophet and identify the years he lived. Confucianism as a philosophy found alone has about 5-6 million followers worldwide. There are four main texts that people read to learn about Confucius' teachings. A statue called The Great Confucius was erected in Houston, Texas in 2009. Do some research on the statue and write a short report on why it is important for the citizens of this city. Jainism is a religion with about 4 million followers called Jains living mainly in eastern India. Since 2002 there are about 90,000 Jains in the United States and 25,000 Jains in Britain. How many Tirthankaras are there in Jainism? Jain temples are architectural masterpieces. Find at least five photos of Jain temples on the Internet. Create a poster or notebook about these temples. Be sure to label where each temple is located. Shinto, one of the oldest religions in the world, is the national religion of Japan. Since Shinto is so old, it contains many beliefs and rituals that have evolved over the centuries. Shinto was influenced by other religions. About 500 EC Confucianism reached Japan from China, and over the next two hundred years Confucian ideas about ethics became part of Shinto. Mount Fuji in Japan is the sacred mountain of Shinto. Do some research and explain why Mount Fuji is called the Goddess of Fire. World Religions Printable Worksheets For more free learning about the world's religions, click here.
