

News Bulletin 14th December 2022

Dear Parents and Carers,

Welcome to the final Newsletter of 2022. And what a beautiful end it has been, full of festivities and of course with the Christmas events that have taken place with the whole school community.

This term the school has been busy with numerous events: Advent Fair, Advent Spiral, St Nicholas, Class 5's Puppet show and Class 3/4's Spanish Christmas Play! Pictures can be seen below!

Thank you all so very much for the many gifts that you have given the staff in their boxes, it is greatly appreciated.

Wishing you a peaceful festive break, Merry Christmas and Happy New Year!

With Best Wishes,

Lorraine Swords

Diary Dates	
Winter Festival	Wednesday 14th December: 12:00 noon
End of Term (All Pupils)	Wednesday 14th December: 12:45pm
Inset Day	Monday 9th January
All Pupils Return	Tuesday 10th January
Epiphany	Tuesday 10th January

NOTICE: One term's notice in writing is required before pupils leave the school: [Bristol Steiner School Fees and Finance Policy](#).

ABSENCE: Please contact the office by 8:30am each morning to report your child's absence. This enables accurate recording of term time absence in the register and saves Reception needing to contact parents to clarify reasons for non attendance.

Please report absence to **Reception and NOT your child's Class Teacher**. This is due to Class Teachers not being able to check their emails before the register has been taken.

Celebration of Work:

Here are a few pictures from the past term. Enjoy!

Kindergarten

Class 1

In Gardening Class 1 & 2 have been preparing a plot of land. We spent several sessions diligently and tirelessly pulling out the stubborn weeds, that will be used to grow plants and crops next term.

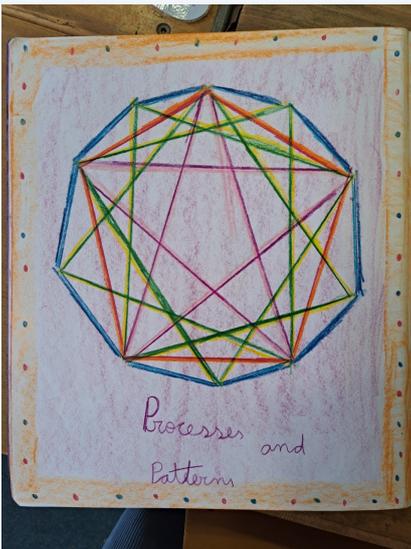

Class 2

Class 1 and 2 have been decorating and bringing life to little plant pots. Next term they will be given baby 'Mother of Thousands' to pot and take home., where the children can keep the plants indoors to be observed as they grow themselves.

Class 3 and 4

Class 3 and 4 have been working deeply with the four processes this term, with a particular focus on written processes and times tables. Their work on this has culminated in some festive geometry!

Class 5

Shepherds' Play

On the last Tuesday of the term, a strange-looking band of players from a time not so long ago, descended upon our little school and brought a story of the birth of a star child, sent to ease all suffering.
