## Game bully mod apk data

For more information requires Android8.0 and up developerEditor's ChoiceRockstar games Visit websiteClick enter Bully: Anniversary Edition APK is an action adventure game. The game imitates school life, which is very interesting and inspiring, as well as make people think deeper. The game must guide and control the main character who is a 15-year-old naughty teenager to gain new knowledge, explore the city and live on. Now let's start your high school career and enjoy the game. Settle in a brand new adventure with Jimmy Hopkins, a 15-year-old mischievous teenager who finds himself in a corrupt and deteriorating prep school. Experience your life in high school at Bullworth Academy, meet new people, find yourself bullied by school thugs, get picked up by teachers. Here, our little Jimmy will have to face every chance in order to make his position and enjoy a decent high school life. Experience the unique aspects of a teenager's life, from a friend's crisis, his love life, school problems. Find out more about this amazing game from Rockstar Games with our review. StoryThe game was essentially a port version of the critics Bully, which was originally created for the famous PlayStation 2. Here gamers will have a chance to experience the entire gameplay just like with the main game. In addition, the Bully Anniversary Edition also comes with many additional features for you to enjoy. Not to mention the fact that for the first time Bully fans can enjoy the game with multiplayer gameplay. Join your friends as you complete the mission together or take on each other in epic challenges. Time to explore your new school and make new friends here. Learn how a troubled child can fit in and enjoy his high school life, especially in this almost torn school. Here you'll find all the interesting features that the game has to offer: For a start, gamers in Bully: Anniversary Edition are introduced into simplified and optimized touch control so you can enjoy playing on mobile devices. In addition, smart controls also have multiple settings, so you can enjoy the game even more. This includes rigid and sloping controls. And if you don't like virtual touch control, the game also comes with physical controller support. This way you can easily have a gamepad connected to your devices and enjoy the console as gameplay whenever you want. Enjoy the full story of BullyOn top of this, the game has all the gameplay that was introduced in the original version of Bully and more. With additional missions, characters and new unlockable items, gamers in Bully will find plenty interesting things to do. Even if you've played this game on PS2 before, you won't be disappointed with this game. Find yourself experiencing your unique school life in this crumbling prep school where corruption is corruption Every day. There is no one to turn to, even some teachers and officials can not be trusted. You can only put your fate into close friends and yourself. Find yourself targeted by school bullies and other corrupt teachers. Show them who the boss is by challenging the student in epic brawls and trick the teachers with clever schemes. In addition, you can also find yourself meeting some of the coolest people in town. Make friends with them and form their friendships. Give them gifts and help them with some of their businesses to increase their affection. Who knows, someday you'll need their help. Not to mention that you may run into your high school sweetheart here. Be a winner in love and friendship with Bully Anniversary Edition.As highschooler, your vehicles may not be as diverse as other games from Rockstar Games, but you will still be surprised to learn how many vehicles there are in the game. That being said, gamers can start with something as simple as skateboards, bikes, mopeds, to more advanced vehicles like riding a mower or Go-Kart.To take on bullies who come in a lot more, it's important that you prepare yourself by collecting some useful weapons. That being said, the game has all kinds of baby weapons such as slingshot, firecracker, stink bomb, marble bags, spray paint, and so on. Gamers in the Bully Anniversary Edition may find themselves dressing up with multiple clothes that has different themes. Take your casual outfits when you go out. Dress in your customizable school clothes to show off your styles when you arrive at school. Collect the best costumes from the Aquaberry store. And there are several costumes that are only available with different missions. Along with the main gameplay, Bully Anniversary Edition also introduces gamers to several mini-games they could enjoy. Challenge your opponents in all kinds of highschool problems such as solving math problems, playing words in English, helping the squirrel fight their enemies in epic Acorn Nut Shots, and so on. And most importantly, the game also has online gameplay that allows gamers to join other real gamers in exciting friend challenges. Enjoy the game on mobile devices and get notifications when you need to make a move. Gamers in Bully Anniversary Edition will never find yourself losing their save files with the useful Rockstar Games Social Club. Here you can have all your successes back up and saved on the online cloud. So the next time you reset your phone or switch your phone, you just need to log into a social club and your savings will be automatically loaded. Last but not least likely, if you want the game to be set on your Completely free, our Bully Anniversary Edition APK will certainly be your best bet. Just download download file and install it on your devices using our instructions. You will have access to all the content of the game without having to pay anything. In addition, the game is also free of advertising, so you are unlikely to be broken. Although the original Bully game was released long ago, it is still one of the best games on PS2 in terms of graphics. Not to mention that with this version of the reboot on the mobile platform, Rockstar Games has done a great job of remastering the graphics to give it higher resolution textures, improved lighting and shadow effects, introducing particle effects, good support for high-resolution displays and so on. And most importantly, with good optimization, the game will work well on most of your devices without experiencing any difficulties. With voiced characters, every scene in the game will look and feel extremely real. Not to mention that exciting sound experience will make you feel like you live in high school life. APK set it on the device without opening the app. Remove the OBB file at /SDCARD/Android/obb/com.rockstargames.bully. Make sure the OBB file (main.11.com.rockstargames.bully.obb) and (patch.11.com.com.rockstargames.bully.obb) are in the com.rockstargames.bully folder. Start the game again. Enjoy! The game is undoubtedly the perfect port for the famous Rockstar Games on PS2. Android gamers will find themselves having a great time in this action and adventure title, especially with our modified version of the game. And if you find this game interesting, then you definitely want to try Weed Firm 2: Back to College, which has similar concepts.
