PRE ADVANCED ORCHESTRA INFORMATION

Hi! This is information to all the participants in PRE ADVANCED ORCHESTRA, Side by Side 2025.

Sheet music and preparation

Download/print the sheet music and bring them to the camp. There will be some printed ex. when you come to the camp, but it's important that you bring your own music. Check the part division that you received in a separate e-mail earlier.

You can find link to Clyne – River in the sheet music library.

It's very important that you listen to the repertoire before the camp.

Be prepared when you come to the camp! Go through the repertoire together with your teacher, listen to as much as possible of the repertoire, pay attention to any transpositions and secondary instruments if it's relevant for you.

Insurance, Instruments & Transport

Remember that you must ensure you have insurance for yourself and your instrument. Side by Side does not have insurance that covers damages during the camp.

Transport of double basses and tubas:

You bring the double bass/tuba yourself to the first rehearsal.

Side by Side transports double basses and tubas to and from Scandinavium after the rehearsals. For other transfers between locations, you carry your own double bass/tuba.

NOTE: The instrument must be labeled with the participant's name and the Side by Side track name. Our transport staff will also attach temporary labels to the cases with the track name.

Other instruments must be carried by each participant. It will be possible to store instruments at the Concert Hall between rehearsals, for example during lunch, but the instruments are not monitored. We recommend that everyone takes their instrument home or to their accommodation overnight.
