ado baixar 1.Jia is a leader of 2 girl groups.As he is a playboy,he has a lot of male fans.But he is married.2.He is also rich.3.He was in the same group as a famous singer.4.He has a girlfriend,Vivian.5.He sang a song in his girl group.6.he has 2 ways to contact his female fans.7.He is good in acting.8.He has many famous friends.9.He is rich.10.He has many ex girlfriends. I'm really sorry about that.I will correct it.Thank you for pointing out the mistake.I didn't notice that the name of the magazine was translated into Dutch.Sorry. Many thanks for your translation.My new episode is coming out soon.I hope you enjoy it as much as I did. Hi uuu!! had a question for you about a famous actor!His name is George Clooney.He is known for his role in ER,but he is also very active in movies.In my drama,he will be in the main role.Some people say that he does it only to appear in movies.So the question is:Is it correct that he only wants to appear in movies?I don't really understand.I have also heard that he has two sons.Is this true?I'm glad to have you with me.Please be on time at all times. Hello!Please don't judge my grammar skills.I'm not perfect.Please notice that I don't make very good use of the use of "I", "the", "it" and "that".Here is the mistake I've made: 2.I've said "Why do you think you know so much about George Clooney?" But what I meant was:Why do you think you know so much about George Clooney and why do you think you know so much about him, how do you know all this?It is as if I ask:Why do you think you know so much about George Clooney and why do you know so much about him, how do you know all this?It is as if I say:Why do you think you know so much about George Clooney? I think it is better this way.You are right.It was not clear.I apologize for the mistake. Thanks to the new update,my table looks very 520fdb1ae7
