

It's as easy as 1, 2, 3 to get hooked up with up to 60 months of 0% interest for purchases (including materials & labor) up to \$6500.00.

Covers equipment and installation cost of new or replacement gas equipment including the following energy efficient appliances:

- Natural gas tankless water heaters
- Natural gas tank water heaters*
- Natural gas furnaces
- Combination gas and water heating systems
- Natural gas stoves
- Natural gas dryers
- Gas logs and generators

Payments are simply added to your monthly City of Dublin water & sanitation bill.

(1)

Contact a qualified contractor for installation. The City of Dublin has a list of approved installers.

(2)

Get a quote from the approved contractor to cover installation, labor, materials, & appliance(s) and submit to Dublin Natural Gas.

(3)

Once installation is complete, the contractor will be paid in full by The City of Dublin. The appliance(s), labor, & materials costs will be added to your monthly bill.

*The City of Dublin will provide a free tank type 40-gallon water heater when swapping out an electric, propane, or older natural gas water heater. You simply pay or finance the installation charge.

Save over \$250.00 per year by switching from electric to natural gas water heating! Check for state and federal rebates available for tankless water heaters.
