

# PAA Access Consultants

**Onsite. Virtual. Desktop.™**

## Performance Solutions

Performance Solution Reports, determinations, and performance-based compliance.

Performance solutions offer creative and flexible alternatives when the prescriptive provisions of the building codes cannot be readily achieved. Whether the constraints stem from structural limitations, existing site conditions, or specific design preferences, we specialise in resolving these challenges while maintaining compliance and design intent.

## Accessibility and Universal Design

**PAA Access Consultants**

Level 12, Suite 101, 197 St Georges Terrace, Perth WA 6000
