

Jeremiah Program Winter Wishes 2021

As part of our dedication to service, we invite you to sponsor "Winter Wishes" for the Twin Cities Jeremiah Program Childcare Development Centers.

The QR Code below links to the Lakeshore Learning Website. This will allow you to purchase items that will be automatically shipped and updated on the registry to avoid duplication. You can also purchase a gift card for additional educational materials such as paper and crayons.

Please contact Janelle, 651-257-0350 jmiller@petersoncompanies.net if you have any questions. Thank you for your support!
