

HEALTH CARE ASSISTANT (HCA)

FIRST COLLEGE - FACULTY OF HEALTH

INSPIRING MINDS THROUGH EDUCATION

PROGRAM OVERVIEW

DIPLOMA - 8 MONTHS (32 WEEKS)

Care aides and community health workers are also known as health care assistants or HCAs. They are frontline care providers in a variety of institutional and community settings including home support agencies and residential care facilities.

The 8-month HCA health care assistant diploma program prepare students to become top notch care givers. A graduate from our Health Care Assistant program will be fully competent and confident in performing skills in a variety of settings including acute care, health care facilities, private community agencies and individual homes.

The BC Care Aide & Community Health Worker Registry reviews and recognizes Health Care Assistant (HCA) programs in BC. First College is on the list of educational institutions that offer recognized Health Care Assistant (HCA) programs in British Columbia. Also, Health Care Assistant (HCA) program was reviewed and approved by the registrar of the Private Training Institutions Branch (PTIB) of the Ministry of Advanced Education, Skills & Training.

FUNDING INFORMATION

HEALTH CARE ASSISTANT (HCA) PROGRAM

September 2021 HCA Cohort - Fully Supported with Funding provided by the Government of Canada through the Canada-British Columbia Workforce Development Agreement with 24 Available Seats

First College offers an 8-month Health Care Assistant (HCA) Diploma Program that enables the students to develop the essential knowledge and skills to function effectively as frontline caregivers of the healthcare team. Graduates will be fully competent and confident in performing skills in a variety of settings, including health care facilities, private community agencies and individual homes.

The upcoming September 2021 cohort is fully supported with funding provided by the Government of Canada through the Canada-British Columbia Workforce Development Agreement with a total of 24 available seats. The program will run from September 10, 2021 to May 6, 2022.

Participants must be Canadian citizens, permanent residents, or protected persons (as designated under the Immigration and Refugee Protection Act) entitled to work in Canada. Also, participants must be at least 15 years old, living in BC with a Social Insurance Number (SIN), as well as unemployed, or employed part-time, seasonally, casually, or precariously employed, and seeking training to find a new job, preparing for changing job requirements or for new job opportunities in the community. It is also for participants who have been impacted by COVID-19 and are seeking training to obtain a job.

Participants currently receiving regular Employment Insurance (EI) benefits, and those on Income Assistance (IA), are eligible to participate in this training project if the Ministry of Social Development and Poverty Reduction (SDPR) has been informed.

Participants who are employed full-time are not eligible for training. If a participant repeatedly does not complete training, that participant may become ineligible under any future grant applications.

Please contact the First College Student Service Department for more detailed information about the eligibility requirements.

Funding provided by the Government of Canada through the Canada-British Columbia Workforce Development Agreement.
