NEW PROGRAM AIMED AT HUMAN RESOURCE PROFESSIONALS, SUPERVISORS

The Sky's The Limit Consulting Inc. in Estero is offering a new program, ["Out of Sight Yet Still Virtually Productive: Effectively Managing Employee Performance During COVID-19."](#) designed for human resource professionals and supervisors. Employee performance management encompasses effective structure, communication, consistency, and fairness, the consulting company states. When conducted properly, it can impact the organization, individual departments, and every employee.
