

Authentic Japan Experience

Japanese traditional performing arts experience
at the National Theatre including Kabuki Performance

Presented by National Theatre
Chiyoda-ku, Tokyo

About Us

We offer a Japanese traditional performing arts experience at the National Theatre.

Limited opening in September and January only.

This absolutely unique event - specifically tailored for international visitors - is available in September and January only. Enjoy hands-on experiences in Kabuki, Japanese dance, and traditional Japanese music (hogaku), all the while being guided by commentary and explanations from leading local experts. Tokyo's prestigious National Theatre hosts this performing arts experience designed to deepen your understanding of Japanese traditional culture.

① Japanese Dance Experience & Kabuki

Experience the heart-stopping moments when actors make their grand entrances, captivating the audience with their presence and charisma.

Collaboration with leading local experts, including the prestigious Japanese Classical Dance Association (Nihon Buyo Kyokai).
