Review This game is the first Tenkaichi game to have a combat display with 1 vs. 2, 2 vs. 1 and 2 vs. 2 modes. However, there are still 1 against 1 battles that usually play. You will choose the character you want to use. Choose one that has a lot of styles and you know how to use it. Before the game, it's a good idea to find out first what moves the character will choose and the buttons to give out moves. Overall there will be 3 rounds, you have to win 2 rounds if you want to win the fight. The main features in general there are more than 70 characters that you can choose from. 10 different steps in each mode. The latest character setting (Mod version). Dragon Ball and Kai's voice acting. A very deep combo system can be used. 1 against 1. 1 vs 2. 2 against 1 and 2 against 2 duels. Complete Tenkaichi on PSP. Exciting high impact battles. It consists of Blow Exchange and Shot Exchange. New game game Three Super Blast moves or combat moves for all characters can be used. Selected Dragon Walker, Battle of 100 and Survival Modes. Note: not all mods are in this version because it is a generic version. Game Mode is very similar to the Budokai Tenkaichi series where you will struggle to win the match. In combat, players can play solo or team up through Ad-Hoc mode to handle unforgettable battles in a variety of single and multiplayer modes, including Dragon Walker, Battle 100, and Survival Mode. The game is a fight against a team or alone with more than 70 characters that can be found with different sounds similar to a movie series. The language in the Game of English is one that you can enjoy if you use sound mode. It will be more fun if you turn on the sound, because their sound will be felt in game mode. The Last Word is a fun game you can try. Any links don't work? Are you in trouble? Feel free to ask/report in the comments below.
