Exploring the Fifth Dimension - Parallel download - 2shared

Includes self-hypnosis exercises that you can use to: travel to parallel universes, other dimensions and teleport your physical body. I describe precisely who these highly evolved beings are, where they live and provide dozens of exercise to communicate with them safely and effectively.

An entire chapter on channeling is included to instruct the reader in a more intimate guide contact. These techniques are perfectly safe and are the result of over 30 years Exploring the Fifth Dimension: Parallel Universes clinical experience.

A comprehensive chapter summarizes many spiritual principles, universal laws and wisdom conveyed by these light beings. Fear is the most important obstacle to spiritual growth. The self-hypnosis exercises are particularly thorough and include several out-of-body techniques, concluding with simple ascension methods that even the novice can apply. For example, if you are out-of-the body and perceive blue highways, you are located on the mental plane.

This is because the soil on this dimension is blue, and their roads are made from this soil, giving an iridescent blue color to these highways.

A comprehensive chart on the sounds and descriptions of the 13 planes is presented to further assist the reader in determining which dimension they are on during their voyages. In preparing the reader to contact their spirit guides, I present several methods of psychic protection and discuss the aura and the major energy chakras. Automatic writing techniques are also given.

Finally, the advantages of spirit guide communication are discussed. The nature of reality, our karmic purpose, ascension and the ultimate truth are among these topics. Several case histories illustrating the benefits of spirit guide contact are described. This book shows the reader how to harness and apply self-hypnosis to expand their consciousness, overcome problems and grow spiritually. Be prepared for an experience of a lifetime. Right: World.

Everything you ever wanted to know about interdimensional travel. Free yourself from the limitations of the earth plane and the laws of space and time. Astral Voyages presents more than Exploring the Fifth Dimension: Parallel Universes exercises that train you to safely leave Teleportation and Out-of-Body Travel physical body and return unharmed from explorations of the upper astral plane and the causal, mental, or etheric realms.

You might even venture to the soul plane Teleportation and Out-of-Body Travel observe the process of selecting your next lifetime! Goldberg unveils his paradigm of the 13 dimensions, developed from over 30 years of experience with hypnotic regression, progression and out-of-body experiences. Specific scripts train you for guided imagery astral voyage, lucid dreaming accessing the Akashic records, and advanced techniques such as the Degree Technique used by the ancient Egyptians.

Other topics include Exploring the Fifth Dimension: Parallel Universes entities, astral sex, astral healing and scientific studies on astral voyaging. Bruce Teleportation and Out-of-Body Travel Southern California is a clinical hypnotist who has regressed 11, individual patients.

He has Teleportation and Out-of-Body Travel live past-life regressions on the television programs Donahue, Oprah, Leeza, and Joan Rivers. A must read. This book is a sequel to Dr. According to Dr. Although technologically a successful civilization, spiritually, Egypt was a failure. Archeological and historical evidence is presented to support this argument. Case histories are presented to give a feel for the civilizations of Lemuria, Atlantis, and very ancient Egypt. Documentation is provided to give the reader highly suggestive evidence that these civilizations did, in fact exist, and that ancient Egypt dates back to at least 18, years ago!

Long before the first Egyptian scribe recorded events of their day, these highly advanced societies possessed technology equal to ours today. There was also considerable interaction with extraterrestrials and time travelers from our future. We will also see how the Mystery schools developed and the mechanism of secret pacts made between the Egyptian priests, extraterrestrials and these time travelers. Men In Black MIB were active during these ancient times to repress esoteric knowledge from the masses, not unlike what occurs today.

The fascinating Teleportation and Out-of-Body Travel of time travel is a constant theme throughout this book. For those of you that would like to experience this discipline yourself, chapter 7 presents several self-hypnosis exercises to guide you into the past or future.

Read on and discover both your past and your destiny. This Exploring the Fifth Dimension: Parallel Universes Dr. The devices described in this book represent a true depiction of 36th century technology. Striker breaks into the laboratory museum of one Taatos, the discoverer of time travel in through enlarging wormholes via a wormhole linear accelerator WLA and murders a guard. The plan consists of using the WLA without applying exotic matter to it so that ripplepoints tears in the fabric of space-time are created that result in the creation of an uncontrollable blackhole in the 36th century.

Time Traveler Bob Gullon is assigned the mission of capturing Striker, preventing the creation of the blackhole and returning Striker to the 36th century to stand trial. Striker is successful in creating three Major ripplepoints by altering Teleportation and Out-of-Body Travel. The destruction of our universe has begun!

Is it possible that some of the alien abductions reported each year are actually the result of our very own species visiting us from the future Chrononauts, or time travelers? In this exciting new book, Dr.

Goldberg presents actual case histories from patients who, through hypnotic regressions, report strikingly similar experiences of being abducted by being abducted by beings who represents us- as well as extraterrestrial futuristic aliens-from 1, to 3, years in the future.

Additionally, there is evidence that time travelers have abducted the same individuals in several of their past lives for the purpose of assisting their spiritual unfoldment.

Goldberg explores Exploring the Fifth Dimension: Parallel Universes principles of quantum physics, which lend solid mathematical models to the theories of hyperspace engineering and travel through the fifth dimension. In addition, you will learn self-hypnosis techniques that you can learn about your own possible abductions.

Over two dozen scripts are presented to assist the reader in making their own self-hypnosis tapes. Word-by-word techniques on superconscious mind tap, progression, past life regression, angel Exploring the Fifth Dimension: Parallel Universes, out-of-body experience and soul plane ascension are just a few examples of the scripts you will find in New Age Hypnosis.

Making your own tapes and putting your voice in command can ultimately improve the overall quality of your life—life increasing self-confidence, breaking overeating and smoking habits, treating depression, eliminating phobias, insomnia, and procrastination, reducing stress, and attracting a soul mate. Goldberg also offers Exploring the Fifth Dimension: Parallel Universes advice including a list of questions for your prospective therapist on selecting a hypnotherapist.

For phone call only call this number during the on air interview, as this is normally my fax line. Secured On-line Order Form. Karmic Capitalism will train the reader to become psychically empowered, financially independent and attain spiritual growth during this process.

I refer to this combination as karmic capitalism. I discuss the concepts of limiting beliefs, affirmations, visual imagery and accessing our Higher Self to raise our consciousness and establish a foundation for karmic capitalism.

The basic concepts of metaphysics and their relationship to spiritual growth are given. Many self-hypnosis exercises are presented to guide readers step by step through the techniques of karmic capitalism. I detailed exercises, too, for abundance, and train the reader in the art of prosperity consciousness.

The culminating self-hypnosis exercise is given at the end of Chapter Five and Teleportation and Out-of-Body Travel called karmic capitalism. The transformation of this corporate world into corporate karmic capitalism is presented in the last four chapters with examples of these principles.

I also discuss several universal laws. The key ingredient for keeping your immune system strong is a hormone produced by your own body — DHEA. Goldberg presents solid scientific and clinical evidence of how you can tap into the fountain of youth. Follow his recommendation and you will keep joy in your heart, a sparkle in your eyes, and a spring in your step for many decades to come. The Search For Grace, by Dr. This is the best documented case of reincarnation. How would you feel if you found out that your present lover had killed you in more than twenty of your previous lifetimes?

Now, consider that names, dates and places that you told your therapist in hypnosis have been verified by you to have known! This is exactly what happened to Ivy, a year-old pharmacist who sought the help of Dr. Bruce Goldberg to put a stop to her Exploring the Fifth Dimension: Parallel Universes attraction to John, her abusive boyfriend. When Ivy recounts the details of her past life as a roaring-twenties party girl Grace Doze, hypnotherapy and real life dovetail into a drama twist of fate.

Her murder remained a mystery until 60 years later when Dr. Published by Llewellyn Publications, St. Paul, MN. I highly recommend it. Every day you are exposed to negative forces in the environment from cynical people, malicious people, media advertisements, noise pollution and many other sources. The book is pretty dry. It is written almost like a Teleportation and Out-of-Body Travel manual. But, that also means no glaring grammar issues. This is not a failure or success of this book. The subject matter is why you might read this book. It covers a view of life, dimensions, the afterlife, time travel, teleportation, meditation, and lots of o This is not for the small time conspiracy buff.

It covers a view of life, dimensions, the afterlife, time travel, teleportation, meditation, and lots of other crazy out there ideas. It is very interesting and to be honest a lot of the material is pretty standard for new age beliefs, but the way it is presented as just plain fact makes it feel like a huge leap of faith.

The biggest flaw of this book is that it is actually part self help manual. Although the book does make you want to dive in and try some of the activities, the dryness of the written meditations and repetition from Teleportation and Out-of-Body Travel to exercise is enough to make you want to put the book down. Overall lots of info. Great place to consolidate the basic new age philosophy of life and afterlife, but not a front to back type of read.
