POSSIBILITY MANAGEMENT NEWS

November 2023

Dear Friends of Possibility Management,

We are discovering the necessity and value of relocating your [Point Of Origin](#) outside of the context of the culture in which you learned to survive and into an unlimited human space called [Radical Freedom](#).

The transformational process of relocating your Point Of Origin into Radical Freedom begins a life you could call your own.

Previous to Radical Freedom there is no space for you except behind the walls of your [Survival Strategy Box](#).

Until you create time and space in the real world for your [Being](#) to be unlimited, to express itself full out, to explore in forbidden territories, to break the rules, and to build out a culture you would love to live in, your Being has neither the energy nor the free [Attention](#) to serve your [Archetypal Lineage](#) or your [Bright Principles](#).

If your Archetypal Lineage gave you a job to do that requires:

- courage beyond bravado
- intelligence beyond passing school tests with memorized 'right' answers
- creation beyond 'the arts', and
- inspiration beyond Instagram

you would run out of fuel before you even get halfway down the runway.

If you are stretched to the max trying to fake it as a human being in modern society, any further request seems grossly unfair.

If you invest all your efforts into being adaptive to meet the requirements of others, what is left to feed your own Being? Nothing! You keep scraping the bottom of the barrel only to come up with a handful of goopy dregs.

The [Linear Life Plan](#) is to get born, go to school, go to the next school, get a job, buy a car, get married, have kids, buy a house, buy your next car, go to your next job, start your own business, retire, go to an old people's home, and die.

More and more [Possibilitators](#) are stepping sideways out of the Linear Life Plan and into [Radical Freedom](#) where life feeds your soul instead of draining you.

In Radical Freedom, [Free And Natural Adulthood](#) emerges step-by-step along your [Path](#) of [Emotional Healing Processes](#) (EHP) and [Authentic Adulthood Initiations](#).

If you force yourself to 'evolve', to 'practice', to 'experiment', to fit into a 'program', to match an image of being a 'Responsible Adult', or worse yet, an image of being a 'Possibilitator', trying to be someone who is 'doing' Possibility Management... you have just dug yourself into a [Gremlin](#) Hell World of [Self Abuse](#). This is NOT the way.

We invite you to let that world disintegrate into the toothpicks, rubber bands, and paper mâché out of which you built it. If you exit your pretend show effectively, the transformation will be rather quick and pain free. And then...

And then there is [nothing](#). Then you can breathe. Then you can come together inside of yourself and [notice](#) what is actually going on around you. Then you can [start over](#).

Yes, your [outdated](#) original [thoughtware](#) will [automatically](#) arise, trying to cause you desperate fears... *"But I need money to live!"* You can feel the claws of it trying to hold you back, yet you have the power to let the old thoughtware crash

too. The patriarchy teaches you to be afraid of your fear so that you never find the edge, exactly the place where you find an abundance of [new thoughtware](#) to explore.

From now on, forever, what remains is only what you [invent](#).

Radical Freedom is a fresh white-board to inhabit as long as necessary until something from deep in the [anger of your bones](#) ignites and moves you to create what you came here to create.

Suddenly [Practice](#) makes sense because it is the way you feed yourself. [Distinctions](#) and [Context](#) take center stage because they form the framework of your projects and your [Bridge-House](#).

Yet all the while, Radical Freedom remains, undisturbed. It is your center, your Point Of Origin.

Once you enter Radical Freedom it can never go away. Like [Radical Responsibility](#), or [Radical Relating](#), Radical Freedom becomes your new home. It is the fountain out of which your real life flows.

We love to be with you on this journey!
