

## 2016 Declaration

I declare an open heaven over my life, in Jesus' Name! I am going to have a super fantastic 2016 because I am too blessed to be depressed. I am too blessed to be stressed. I'm too glad to be sad and I'm too anointed to be disappointed. I'm too cheerful to be fearful!

I ask you Lord for your complete protection over my family for 2016 against accident, incident, injury, disease and illness, sexual, emotional, spiritual, physical and financial damage. Place a hedge of protection Lord around myself and my family today from the wiles of the evil one and all demonic powers in Jesus' Mighty Name,

I use my delegated power and authority in the name of Jesus to silence and nullify any attack, plan or harassment of the enemy against me or my family's life this coming year .

Circumstances are aligning themselves in my favor, because I'm walking in the anointing of the Spirit of Favor ... I anticipate meeting the person or group of people who are willing to use their anointing, power, their wealth and influence to help me achieve my dreams. All day long, people will go out of their way to help me.

I am healthy, physically fit, spiritually, emotionally and intellectually equipped. I have wisdom far beyond my years. I am an extraordinary person with incredible abilities that I will use to add value to others' lives because I know that in helping others' reach their dreams I will automatically reach my own.

I take on an attitude of gratitude today. I will not allow the spirit of jealousy and envy to ruin my 2016 but I will learn to celebrate others' success because I know am next in line.

I am faithful in little things, managing every resource God has entrusted me with, so I can rule over much and give whenever and wherever I see a need. The blessing of the Lord enriches my life and He adds no sorrow with it. He is blessing me exceedingly, abundantly above all that I could think or imagine. Because I am generous my resources and influence grows larger and larger. I am an abundance magnet, and increase is my portion.

I am experiencing great victories, supernatural turnarounds and miraculous breakthroughs in the midst of great impossibilities. I am an overcomer. When I speak to mountains they are removed! If my

mountains can't be removed, I will develop and practice my mountain climbing skills.

I may experience a setback but setbacks are only setups for comebacks. Setbacks pave the way for comebacks. I will make lemonade out of life's lemons, and if life dares to knock me down I will receive God's strength and perseverance to always get back up. I reject ever having the attitude of a victim – rather I always look for, and find, creative and resourceful solutions.

There is nothing lost in the economy of God. I may have made mistakes in the past, but God will turn them full circle so they will serve my future's success, because He is a Redeemer.

I now release the champion that is inside of me. I release that inner winner. I am the leader that multitudes of people are looking for. I choose to succeed today and everyday hereafter.”

My 2016 is a year surprises and wonder in Jesus mighty name! Amen!
