

WHERE'S OUR £20 MILLION?

Tipton Town Centre
3 pm on a Saturday in March
Labour's Ghost Town

On 15 March 2023 the Conservative Government promised us over £20 million.
Michael Gove came to Tipton with our MP and our Labour Councillors.
They told us Tipton would be a great place to live and work and shop again.

A year on, and Sandwell's Labour Council admit

- Half of all our shops will be demolished
- Bribes for developers to build more commuter houses
- More strain on our doctors, our schools, our roads
- Our Post Office closed – for good?
- Our Library moved out of the centre, and services cut
- No support for existing businesses
- No benefit for community groups

Where's our money gone?

Sandwell Labour has cheated Tipton AGAIN

Your Council Tax is going up by 5% - the highest they can get away with
All your bills still going up under the Conservative Government

You can't trust Labour. You can't afford the Conservatives.

You can't fix local problems with party politics.

Vote for Change On Thursday 2 May vote Independent

It doesn't have to be like this.

Tipton can have a Councillor who speaks up for where he lives, listens to his neighbours, holds the Labour Council to account.

Richard can get you the answers you need about our future.

He will listen to you and fight for our town's fair share.

He will treat all communities with the respect they deserve.

He won't engage in politicians' in-fighting and money-grubbing.

Richard got 1225 votes last year. The Conservative got just 198.

Only Richard can beat Labour on Thursday 2 May.

You can reject the same old politics by voting Independent.

But you have to vote to get the change we need.

Three-quarters of us don't vote. Can you make sure you do?
