

ECAM ENGINEERING AT ITC

DOUBLE DIPLOMA AT A FRENCH
ENGINEERING SCHOOL

IN CAMBODIA

PHNOMPENH.ECAMENGINEERING.COM

4-YEAR PROGRAM
(3 YEARS AT ITC +
1 YEAR AT ECAM LASALLE)
for a new curriculum

A DOUBLE DEGREE
ECAM Bachelor's degree
+ ITC Bachelor's degree

**INNOVATION PROJECTS
AND MANDATORY INTERNSHIPS**
a multidisciplinary,
innovative & practical approach

INTERNATIONAL
academic exchange opportunities

STRONG TIES
with industry

① Robotics and Automation Pathway

Shape the Future of Industry with Robotics and Automation!

Why choose this pathway?

→ Innovative Curriculum: Learn cutting-edge technologies in robotics, AI, and automation.

Pathway highlights:

- Interactive Workshops: Participate in workshops led by industry experts.
- Competitions: Join robotics competitions and showcase your skills.

Career opportunities:

Prepare for exciting careers in industries like manufacturing, healthcare, and tech.

② Supply Chain Management Engineering Pathway

Shape the Future of Industry with Industrial and Supply Chain Management Engineering!

Why choose this pathway?

→ Comprehensive Curriculum: Learn about logistics, operations, and supply chain optimization.

Pathway highlights:

- Industry Partnerships: Collaborate with leading companies on innovative projects.
- Global Perspective: Understand global supply chains and international logistics.

Career opportunities:

Prepare for dynamic careers in manufacturing, logistics, and consulting.

Graduates will shape the future development of sustainable production with skills and knowledge in **industrial challenges**, leadership, project management and **innovation**. Their **international profile with English proficiency and Double degree** will be highly valued around the world.

A FRENCH «GRANDE ÉCOLE» IN PHNOM PENH

Created in 1900, ECAM LaSalle is one on the best **private engineering schools** in France

An excellent and **world-re-nowned education** system of French «Grande Ecole»

Strong **links with industries** and a wide alumni network

International openness with +110 partner universities in 42 countries
