

Diana is a former GJ Dance Studio Mom! Her daughter, Michelle, Laura Edwards, Joanna Caputi, and Shannon Whitney all danced competitively for GJ's for more than 10 years. Diana retired in 2018 from the Naval Air Systems Command in Patuxent River, after 38 years of civilian service in operations and program management. She is excited to see the GJ dance descendants start a new dance chapter in La Plata and looks forward to assisting dance families at the front desk.
