Kia ora!

I'm Nicole and I have been a home-based educator since 1996. I offer home-based care in the Nayland area and did my training when my own children were young. It is so incredibly rewarding to play an important part in children's lives and to support them in their learning and growth.

I love to run my own home based programme from my large, warm, sunny home where I have a fantastic, safe, child friendly garden and play area. Children enjoy regular art and craft activities, play dough and baking, and reading stories and music, incorporating te reo, are things we do every day.

I would love to meet you and your little one. Please call me on 0274454566
