The Kashop plot is an aspiring baker who moves out of the house to open his own pastry shop. When he wants to unpack his belongings, he realizes that his two families of nekos, Chocola and Vanilla, came with him hidden in moving boxes. After they forced Kasha to live with him, all three work in a small shop called La Soleil. Later, Kasha is visited by his younger sister Shigure and other Nekos from the Minaduki family. Character: Kashou Minaduki (月 祥, Minazuki Kasho) He is the main character of the series and a talented chef and baker. Kashou decided to finally realize his dream, move out of the house and open his own shop. As usual in these games, the main character has no voice output. In addition, the action usually plays from his point of view, so the player also knows his thoughts. Chocola (ショコラ) Speaker: Gimari (Tomonaga Maki) Chocola is very lively and cheerful. She has brown hair and she loves Kasha, so even turns to him with the master. She could not imagine that she would no longer be with Kasha, so she decided to move to his shop and work there. She's Vanilla's twin sister. Vanilla (バニラ, Banira) Speaker: Amu Nakamura Vanilla, unlike her twin sister, is quite calm and serene. She has gray hair and very rarely expresses her emotions. She follows her sister everywhere, so she also moves to Kasha. She and her sister are the youngest Nekos of the Minaduki family. Shigure Minaduki (月 時雨, Minazuki Shigure) Spokesman: Amy Sakura Shigure is the younger sister of Kashou, who is secretly in love with him, thus resembling incest. She and her brother are the owners of Minaduki-Nekos, with Shigure having much more experience of her relationship. Azuki (アズキ) Speaker: Mia Naruse Azuki is the oldest of the Minaduki Nekos. Although because of her age she has a role model for other Nekos and can also be seen as a leader - and thus also plays an important role in managing and controlling her sister at work in a coffee shop - she also has offensive and vicious traits towards them. In order to express your true emotions to others, she responds and speaks very sarcastically. Maple (マップル) Speaker: Yui Ogura Maple is the second oldest of Minaduki Nekos and has an independent and mature character. She is always happy when visiting the cafe because she can try new things there all the time. Cinnamon (シナモン) Speaker: Yu Arisaka Cinnamon is the third oldest of the six Nekos. She has very perverse thoughts and interprets something sexy in everything, in order to finally blush, ashamed or not. It also has the largest circumference of the chest. Coconuts (ココナッツ, Kokonatsu) Speaker: Ryoko Tezuka Coconuts is the third junior of Nekos. While all the other characters are jealous of Coconut for her coolest person, she wants nothing less than to be cute rather than cool. Coconut suffers from low self-esteem due to her rabies and self-proclaimed absence. She is also trying to do more than she can be more like her older sisters rather than supporting Kashou like her younger sisters. Milk (ミルク) Speaker: Amy Sakura Milk is a very young Neko who runs Takoyaki to stand with her owner near La Soleil and Shopping Street. The history of The Neopora publishing began as hental-d'jinshi illustrator Saori and appeared on August 11, 2013.
