Get the 6×8-inch (15.2×20.3 cm) white paper and the 6×6-inch (15.2×15.2 cm) masking tape, two 0.5-inch (1.27 cm) round foam dots, a 6×6-inch (15.2×15.2 cm) rubber-backed mat **Step 1:** Using a 3×6-inch (7.6×15.2 cm) cardstock as a base, cut two 6×8-inch (15.2×20.3 cm) white paper rectangles and two 6×6-inch (15.2×15.2 cm) white paper rectangles. To make the 3D masking-tape silhouette, cut a circle from a masking-tape rectangle and adhere to a foam dot (see page 11). Adhere the four elements together and let dry. Cut away the rectangle with the 3D silhouette on page 11. **Step 2:** Place the silhouette on the rubber-backed mat, position the white paper rectangles on the left and right sides, and the 3D shape on top. To create the negative space, place the two white paper rectangles under the 3D shape and position the foam dot over the 3D shape. Ink the foam dot, paper rectangles, and the rubber-backed mat. **Step 3:** Cut and Ink a small 1.5-inch (3.81 cm) square shape from the middle of a white paper rectangle. Adhere it to the top of the rubber-backed mat. Use a cardstock for the background. Stamp, ink, and adhere the elements to complete the background. **Step 4:** Cut a smaller 1.5-inch (3.81 cm) square from a white paper rectangle. Ink it and adhere it to the top of the background. Using two cardstock scraps as a base, cut five triangles. Apply a layer of gesso over the background and adhere the triangles on top of the background (see page 9). Stamp, ink, and adhere a sentiment and a piece of masking tape on each triangle (see page 11). **Lace:** Adhere, ink, and adhere a piece of template paper (see page 10)_ **Step 1:** Cut a 4-inch (10.2 cm) circle with a scall 520fdb1ac7
