New Delhi, India, October 4, 2006 – Eicher Goodearth Ltd, part of the Eicher Group today launched the revised and updated Eicher City Map – Delhi. The 262-page map book is priced at only 290 R./- (\$6). It includes not only the capital Delhi, but also the fast-growing districts of NOIDA, Gurgaon, Faridabad and Ghaziabad. It contains Key to map pages for easy reference to the location of areas on map pages. It also has a draw route planer to help you navigate longer distances in the city. The book complies with international mapping standards and consists of 191 detailed map pages. The book has a detailed index for quick and easy location. The detailed index includes more than 15,000 names of roads, colonies, buildings, hospitals and other interesting places. An index is a combination of alphabetical list and categorization for ease of use. The entire map book follows a fixed grid on the map pages, a key to map pages, route planning, and an index. This makes using the map book easy and fast. The book also includes a section on Explore Delhi, giving an insight into Delhi's rich heritage. Eicher City Map - Delhi is a unique product and one of a kind in India. This is the most detailed map of the city and you can go down to practically the house number. The book on the map is in line with the very well-researched symbolism that eicher's knowledge of map making over the past decade has been an effort. Mr Girish Sidana, Head - GIS & Digital Mapping Division, Eicher Goodearth Limited said: Eicher Goodearth has published books and world-class guides to help make travel interesting and simpler in India. Eicher constantly strives to provide regularly updated and updated maps of various Indian cities. This edition of Eicher City Map – Delhi is a step in this direction. Urban infrastructure is an ever-changing phenomenon, regularly a book about the city map is a boon for users. This launch is part of Eicher's initiative on going offering simple, easy-to-use Understand cities and book maps for travelers and all other road users. Eicher has undertaken direct sales for 2 weeks, and the map book will be available at all major parking lots throughout the city during this period. As part of a special offer introducing the book for this period, the map will include discount coupons worth thousands of rupees from various entertainment and utility points throughout the city. – About Eicher Goodearth Ltd.Eicher Goodearth Ltd is the launch of an organization in India in the gis mapping and solutions industry.
