5th Annual **MEALS on WHEELS**

During the giving season, OLSM Earth & Science Club students, faculty advisor Ethan Graham, and a group of dedicated parent volunteers focused their holiday efforts on helping homebound seniors in our surrounding area stay warm and cozy this winter! “Delivering meals to elderly members of our community was incredibly fulfilling and reminded us how meaningful kind acts can be during the holiday seasons,” said OLSM student Claire Beltz.

While delivering meals is an important part of the experience, the heart of the day lies in face-to-face interactions with community members — especially elderly residents who may experience loneliness and isolation. Through simple conversations, kindness, and presence, students lived out OLSM’s mission by putting faith into action, demonstrating leadership through service, and strengthening the bonds between the school and the wider community.

***Our family has been delivering meals on wheels since I was a little girl, and the experience is more meaningful the older I get. Italian shows me that small actions can have a big impact. It made me proud to be part of a school that values service, leadership, and taking care of our community.”***

A Night of Light, Legacy, and Reunion:

Brings ALUMNI HOME Again

BY ROBERT MAZUR  
ALUMNI RELATIONS OFFICER

On November 23, the Orchard Lake Schools campus glowed brighter than ever — lit not only by the brilliant Christmas tree standing proudly at the heart of campus, but by the joy of alumni returning home with their families. This year’s Christmas Tree Lighting ceremony became far more than a festive tradition. It became a reunion of generations, a celebration of shared memories, and a reminder of the deep, lasting roots that bind St. Mary’s alumni to their alma mater.

As the lights flickered on and the crowd fell into a quiet moment of wonder, one thing became beautifully clear: our alumni continue to carry the spirit of St. Mary’s with them, and they are now passing that spirit on to their children. Watching graduates of decades past walk hand-in-hand with their sons and daughters — introducing them to the place where their own stories began — was both sentimental and profoundly meaningful.

The presence of so many alumni families truly touched the heart of our school. For many, it was their first time back on campus in years. For others, it was a yearly tradition they were proud to continue. Some pointed out the chapel where they once prayed before exams. Others shared stories about snowfall during their student days or introduced their children to former coaches and teachers. The Christmas Tree Lighting reminded us that St. Mary’s is not just a school; it is a community built on faith, tradition, and generations of families who believe in its mission. This night of light and love reaffirmed that our community continues to flourish — rooted in tradition, strengthened by its people, and illuminated by the shared hope that every Christmas Tree Lighting brings.

Coach Sterling Mintzer (P’97)

We’re excited to share that alumnus Sterling Mintzer has returned to his alma mater as the head coach of the OLSM boys’ freshman basketball team of which his son, Austin is rostered! Austin's twin sister Layla is a freshman girls basketball team athlete. While an OLSM student, Sterling played basketball for coaches Len Karschnia and Denny Butcher. He also played OLSM football and baseball. Sterling and his family reside in Commerce Twp. He is the owner of Mintzer Building Co., a custom home builder. ## Oh, What a Beautiful Night for

# CANDLELIGHT

The Christmas season at Orchard Lake shines so brightly with our time-honored traditions, especially *Advent by Candlelight*, held each year on the first Thursday of December, and organized by Maureen Gross and many dedicated members of our campus community. The evening begins with a vigil Mass in the Shrine Chapel celebrated by Fr. Witek, followed

by a walk through the glorious Christmas lights of the Richard & Mary Trzcinski Quad to the Fr. Rakoczy Old Gym. Inside the gym, the magic of the season glows with twinkling lights and tables adorned with the decorative appointments of each table host who serves a meal and/or desserts.

Weeks before the event, tables were made available, and many were reserved by Prep parents who chose to become table hosts and invited their guests, friends and/or family, and treated them to a meal and/or desserts. Each host can decorate their table as they wish with seasonal and festive accents including candles. Hosts set up their tables the afternoon prior to the event. Tables are on a first come, first serve basis without any cost for hosting a table. Table or individual donations to THE MARY PROJECT Grotto Beautification are greatly appreciated.

Polish Christmas Eve Tradition

## 4th Annual WIGILIA

BY JOSEPH MAJCHER  
CHAIRMAN PRO TEM, ST. JOHN PAUL II LITURGICAL CENTER

Orchard Lake's St. John Paul II Liturgical Center sponsored its 4th Annual Campus "Wigilia" Mass and Dinner on December 13th. In the Polish culture, "Wigilia," i.e., Christmas Eve, is undoubtedly the most festively celebrated religious holiday. Although there may be some minor regional differences, "Wigilia" is celebrated uniformly throughout Poland. It begins with decorating the Christmas tree followed by reading the Nativity from the New Testament, then wishing each other well by sharing the "opłatek." Next, those gathered enjoy a meatless 12 course dinner, Christmas Carols, the exchanging of gifts, and the evening culminates with Midnight Mass.

Celebrating and promoting Polish language and culture is a fundamental objective of the St. John Paul II Liturgical Center at the Orchard Lake Schools. Polish culture and Catholicism are inextricably linked. Sponsoring "Wigilia" on campus fulfills one dimension of this objective.

The campus celebration began with Polish Mass in the Shrine Chapel accompanied by the renowned Filarets Polish Choir followed by a traditional "Wigilia" dinner, to include sharing the opłatek, in the Campus Dining Hall and concluded with Polish and

English Christmas carols. This year's attendance set a record of 121 attendees.

Many contributed this year's Wigilia huge success. Fr. Bernard Witek, Margaret Wozny and Joe Majcher of the Liturgical Center organized the event. Marco Santia and the Dining Hall staff did a great job serving the food that was catered by the American Polish Cultural Center in Troy. Sister Genowefa Potaczała, of the Polish Institute, helped with food preparation. Prep students Kaden Gibbs, Sidney Smerecki, Joseph Smerecki, Avelyna Reynaert, and Ava Wybo helped with waiting on the tables. Prep Class of 1963 alumnus, grandfather of two current Prep students, and Alumni Association President Ken Smerecki attended with his family members. Robert Mazur and Lisa Gray of the Development Department decorated the tables. Doug Fackler and the Maintenance Department did a great job with the Dining Hall and Chapel set-up.

Centrum Liturgiczne Świętego Jana Pawła II stara się obchodzić najważniejsze Polskie narodowe i religijne święta oraz pielęgnować i rozpowszechniać język Polski i kulturę na terenie Szkół w Orchard Lake i ponad. Obchody Wigilii na terenie Szkół pomagają w realizacji tego celu. Jak wiemy, katolicyzm i polska kultura są ze sobą nierozdzielnie związane.

# REFLECTION

BY FR. BERNARD WITEK  
DIRECTOR | ST. JOHN PAUL II LITURGICAL CENTER

Many people including some Catholics think that Christmas ends on December 26, while liturgically Christmas Season starts on Christmas Eve (December 24) and one of the important feasts during Christmas Season is the Epiphany of the Lord. Its celebration on January 6 predated the celebration of Christmas on December 25. The early Church, especially in the East, in one feast of the Epiphany on January 6 commemorated the Nativity, Visitation of the Magi, Baptism of Christ, and the Wedding of Cana. By the fourth century, some dioceses started to celebrate Christmas and the Epiphany as separate feasts. The Council of Tours in 567 set the dates for

the celebration of Christmas Day on December 25 and the Epiphany on January 6. While the traditional date for the Epiphany is January 6, in the United States its celebration is moved to the Sunday between January 2 and January 8. In 2026, it is celebrated on January 4.

In the Latin rite of the Catholic Church, the celebration of the Epiphany focuses mainly on the revelation of Jesus as the Son of God to the Three Wise Men (also called Magi) and through them to the whole world. St. John Paul II in his homily on January 6, 1996, points out the symbolic role of the Wise Men:

## In the Words of

# ST. JOHN PAUL II

*Today, the Solemnity of Epiphany, this is how the prophet's words resound. The ancient, evocative oracle of Isaiah in a way foretells the light that shone on the stable in Bethlehem on Christmas night, anticipating the angels' song: "Glory to God in the highest, and on earth peace among men with whom he is pleased" (Lk 2:14). In a certain sense, in pointing to the light the prophet is pointing to Christ. As it shone for the shepherds seeking the newborn Messiah, so this light shines today on the path of the Magi, come from the East to adore him who was born King of the Jews.*

*The Magi represent the peoples of the whole earth who, in the light of the Lord's birth, set out on the way leading to Jesus and, in a certain sense, are the first to receive that salvation inaugurated by the*

*Saviour's birth and brought to fulfilment in the paschal mystery of his Death and Resurrection. When they reached Bethlehem, the Magi adored the divine Child and offered him symbolic gifts, becoming forerunners of the peoples and nations which down the centuries never cease to seek and meet Christ.*

## SHRINE OF ST. JOHN PAUL II: JUBILEE YEAR PILGRIMAGE SITE

Did you know that the Archdiocese of Detroit has designated our Shrine Chapel at Orchard Lake one of 12 Detroit-area pilgrimage sites ahead of the Jubilee 2025; a place for pilgrims to visit and receive a plenary indulgence?

*The Church celebrates ordinary jubilees every 25 years. In December 2024, the late Pope Francis ushered in the Holy Year 2025 by opening the Holy Doors of St. Peter's Basilica in Rome for a year of grace, forgiveness and renewal — centered on the theme, "Pilgrims of Hope."*

*In 1470, Pope Paul II established the practice of celebrating jubilees every 25 years, instead of 50, to allow more people to experience a Holy Year within their lifetimes.*

## Polish Institute

## UPDATE

BY ANIA BIECIUK

ASSOCIATE DIRECTOR FOR POLONIA AFFAIRS, POLISH  
INSTITUTE OF CULTURE & RESEARCH AT ORCHARD LAKE

The Christmas season has always been a time of reflection, memory, and continuity, values deeply rooted in Polish tradition. As we move from the warmth of the holidays into the promise of a New Year, I find myself especially grateful for our community and for the shared

responsibility we carry in preserving and celebrating our cultural heritage. With this spirit in mind, I extend my sincere wishes for a peaceful, healthy, and hope-filled 2026.

The beginning of the year brings renewed energy and focus at the Polish Institute. We are currently preparing to unveil a new exhibit drawn from the depth of our collections, one that reflects both history and contemporary relevance. Each exhibition serves as a reminder that Polish culture is not only preserved, but continually interpreted and shared. Details will be announced soon.

January also marks the return of our student feature, a program especially close to our mission. This year, we are proud to present a student from the St. Mary's Preparatory Girls Division, Ella Selakowski. Highlighting our students affirms the essential role young people play in carrying forward Polish culture, language, and values, and we are honored to spotlight their achievements and voices.

We are equally excited to announce two upcoming events that exemplify the breadth of our programming. On February 13, we will host the Casa Piano Quartet, featuring musicians from the Detroit Symphony Orchestra, in *Romantic Piano Quartets from the Heartlands of Europe*. This concert will offer an evening of exceptional artistry rooted in the European musical tradition. On March 7, we welcome back a beloved community event with the

return of our fashion show, *Blooms of Tradition*. Now in its second edition, the show will again feature Recultured Designs, exploring the intersection of heritage, craftsmanship, and contemporary design.

As we look ahead, we also reflect with pride on how we concluded 2025. On November 30, the Galeria became the setting for an extraordinary evening, *Echoes of Europe: Arias from Poland and Beyond*. We were honored to host acclaimed Polish soprano Dominika Zamara, who joined us directly following a concert engagement in Italy. Accompanied by pianist Vanessa Kwiatkowski, the performance unfolded with elegance and emotional depth. The season's first snowfall provided a fitting backdrop, and the evening was met with several standing ovations. A special and unexpected highlight came when Vanessa Kwiatkowski and her husband, Jeffrey Nicholas, delighted the audience with a four-hands performance of Dvořák.

The following day, on December 1, Dominika Zamara led a student seminar with the Prep music students of Ms. Gina Dlugosielski. The thoughtful questions and lively exchange created a meaningful moment of mutual learning and exposure, offering our St. Mary's students a rare opportunity to engage directly with an international Polish artist.

These moments, both grand and intimate, remind us why our work matters. Through music, art, education, and shared experiences, we honor the legacy entrusted to us while shaping a vibrant future for Polish culture in America.

Z dumą i poczuciem odpowiedzialności kontynuujemy tę misję, pamiętając, że kultura to wspólne dziedzictwo, które zobowiązuje i jednoczy nas wszystkich.

Blooms of Tradition Fashion ShowA CELEBRATION OF WOMEN'S DAY & TRIBUTE  
TO THE BRAVE WOMEN WHO PAVED THE PATH  
BEFORE US

The Polish Institute of Culture & Research at Orchard Lake proudly announces the return of *Blooms of Tradition*, an inspired fashion show featuring Recultured Designs by Olenka Lisiecki. A Michigan native whose label began in Farmington Hills and now thrives in San Francisco, Lisiecki is known for reimagining Polish florals and textiles into refined contemporary couture. The second edition of this distinguished event will take place on Saturday, March 7, 2026, inside the Galeria on the historic Orchard Lake Schools campus.

Timed near Women's Day, *Blooms of Tradition* celebrates the strength, courage, and perseverance of the women who came before us. These were women who faced war, displacement, and terror, yet rebuilt their lives in a new country with grace, resilience, and unwavering determination. Their stories of survival and reinvention continue to shape the legacy of Polonia, and this event honors their spirit and memory.

The runway will feature Lisiecki's newest designs modeled by students from Orchard Lake St. Mary's Preparatory School as well as members of the broader Polonia community, creating a dynamic intergenerational presentation rooted in heritage and identity.

"This event reflects the heart of our community," said Ania Bieciuk, Associate Director for Polonia Affairs at the Polish Institute of Culture & Research. "It honors the brave women whose courage carried them through unimaginable hardship and whose strength built the foundations on which we now stand. Their spirit lives on in our traditions, our families, and our cultural memory. *Blooms of Tradition* is our tribute

to them, expressed through the artistry of Olenka Lisiecki, whose work bridges the old world and the new with extraordinary elegance."

Guests will enjoy an evening of thoughtfully curated fashion, meaningful storytelling, and exceptional food and drinks in the warm and distinctive setting of the Galeria. The event reinforces the Institute's mission to promote and preserve Polish arts and culture while elevating contemporary creative voices shaped by heritage.

Further event information, including ticket sales and program announcements, will be released in early 2026. Check back often at [www.picrol.org](http://www.picrol.org) or email [info@picrol.org](mailto:info@picrol.org).

# ECHOES OF EUROPE

## A Winter Concert to Remember

Against the quiet beauty of a snow-covered Orchard Lake campus, *Echoes of Europe* unfolded as an evening of extraordinary artistry and reflection. The

concert brought together soprano Dominika Zamara, pianist Vanessa Kwiatkowski, and guest pianist Jeffrey Nicholas for a program that resonated deeply with the spirit of the season and the cultural mission of the Polish Institute.

Dominika Zamara's voice carried both power and intimacy, filling the Galeria with expressive nuance and emotional depth. Her performance, paired seamlessly with Vanessa Kwiatkowski's sensitive and virtuosic accompaniment, created moments of stillness, drama, and lyric beauty. A special highlight of the evening was the four-hands piano selection performed by Kwiatkowski and Nicholas, adding a sense of joy and camaraderie that delighted the audience.

Despite the winter snowfall outside, the Galeria was warm and welcoming. Guests were invited to linger following the performance at a reception that

encouraged conversation and connection, while also exploring the Institute's newest winter exhibit. Featuring selections from the PICROL collection across multiple mediums, the exhibit offered a contemplative counterpoint to the music and reflected the richness and breadth of Polish cultural heritage.

The weekend concluded with a meaningful extension of the concert experience. On December 1, Dominika Zamara led a student seminar with the music students of Saint Mary's Preparatory. The session was marked by thoughtful dialogue, curiosity, and genuine engagement. Under the guidance of Prep music teacher Gina Dlugosielski, students asked insightful questions, exploring both the technical and human dimensions of vocal performance. It was a moment of shared learning that underscored the Institute's commitment to education, mentorship, and cultural exchange.

*Echoes of Europe* was more than a concert. It was an immersive cultural experience shaped by music, scholarship, and community, made all the more memorable by the winter setting and the generosity of the artists who shared their talents with such grace.

## OLSM Student Feature

# Ella Selakowski

As January has arrived, that means that New Year's and Three Kings day brings Poland a month of festivity, hope, and tradition. These special holidays are a cause for fun activities and celebrations throughout Poland as a beautiful way to start the new year.

The arrival of New Year's Eve and New Year's Day, also known as *Sylwester i Nowy Rok*, named after St. Sylwester, whose feast day is on December 31st, means many fun gatherings and partaking in traditions for Poles. Not unlike here in the States, many celebrate the new year with fireworks, festive parties, toasts for the upcoming year, and with age-old traditions and superstitions so that a good year will follow. Partaking in these superstitions is believed to ensure a good year with prosperity and good fortune as anything you do on New Year's Day will reflect the rest of your year.

*Dzień Trzech Króli* or Three Kings Day, honoring the feast day of the three wise men who visited Jesus when he was born, marks the end of the Polish Christmas season on January 6. The day is a mix of both religious tradition and festive celebrations across Poland. It begins with a mass during which the priest blesses chalk, incense, and small symbolic pieces of gold. Afterward, families bring home their blessed chalk and write the traditional inscription C+M+B+2026 above their front door. Each letter stands for one of the magi, as well as abbreviating

a Latin phrase: *Christus mansionem benedicat*, meaning "May Christ bless this house". A more modern tradition that has blessed this day in Poland is the Three Kings Day parades (*Orszak Trzech Króli*), where people celebrate by having parades through city squares all around but the most well known is the parade hosted in Warsaw with many dressed in costumes to portray the three kings.

January in Poland is a truly festive, fun, and joyful time to behold, *Szczęśliwego Nowego Roku!*
