

Scottish Net Zero Community

Declaration of Participation – Community Member Company

Our company recognises the importance of making a full and lasting commitment to reducing the greenhouse gas emissions from our activities in support of the wider commitment of the world to limit global temperature increases and the impact on their planet.

As a signatory member of the Scottish Net Zero Community we commit to the following:

1. For our company to achieve Net Zero in line with the Science Based targets set out by the UNFCCC i.e. to achieve Net Zero no later than 2050 and target a 50% reduction in emissions by 2030
2. To set realistic short, and long term, targets that are designed to achieve our Net Zero commitments
3. To report the total Greenhouse Gas emission of our business regularly and for our performance to be part of the Communities annual reporting back to the UNFCCC

We acknowledge that our commitment will be reported on the Scottish Net Zero Community website (www.netzerocommunity.scot)
