

## GeN4 1.0.6 Security (Bux Script) NULLED!

The screenshot shows the 'scriptspart' website header with navigation links: Home, Demo, Support, Labs, Contact, Purchase. The main content area features the 'filebox file sharing script' advertisement. The text describes it as an 'amazingly unique file hosting and sharing script for your online business' with features like 'multiple uploader, facebook connect, premium accounts and much more... also it is beautifully coded.' It states 'releasing on 5th september' and includes a green button labeled 'filebox file sharing script'. To the right is a screenshot of the script's interface. Below the main content is a row of icons representing various services: a heart, a group of people, a line graph, a database, a dollar sign, a Facebook logo, a shopping cart, an RSS feed, a padlock, a wrench, and a gear. At the bottom right of the page, there is a footer with the text: 'Contact Us | Blog (Coming Soon) | Customer Support | Buy Now' and 'Copyright © 2012 Scriptspart. All rights reserved. Use of this site is subject to express terms of use'.
