Praxis 2 5038 study guide

Praxis II 5038 Study Guide and Quizlet Resources for free! I passed my PRAXIS II 5038 with a score of 194 out of a possible 200, and I am currently in my fifth year of teaching grades 10, 11, and 12 ELA in a public high school. While I studied for this exam, I found few free resources available online in an easy(ish) format to navigate. In an effort to provide some relief to this issue, I shared my resources here. My strategy won't work with everyone, so please use at your own risk. Good luck! Last site update: 29/07/2019This site has an average of over 90 new visitors per week (as of July 2019). A very personal story of our founder Scott Rozell and his wife, Lacey. -- Previous 1 2 3 ... 6 Next -- Visit the help section or contact us Study Companion Study Plan English Language Arts: Content Knowledge, Interactive Practice Test Use this interactive practice test to prepare the English content knowledge test (5038). This comprehensive practice test allows you to practice answering a series of authentic test questions in an environment that simulates the computer-provided test. The practice test is in time just like the real test and allows you to easily switch between questions to simulate what you experience on the day of the test. After you complete the test, you can also see the correct answers and explanations for each correct answer and view the results by content category. Note: There are three versions for this test title, Module 1, Module 2, and Module 3. Each interactive practice test module consists of a single set of practice questions. Each time you take a practice test (module 1, module 2, or form 3), the same questions will appear in the same order. Re-purchase or repurchase of the same form does not provide different practical questions or change the order in which applications are delivered. Buy Now This is a resource to assist you as you prepare to sit down for the Praxis exam® II English Language Arts: Content Knowledge (5038). Read on to learn more about the exam, including how to register, what to expect on the day of the test, the types of knowledge that will be evaluated, and more.
