Take up your favorite fighter and challenge all other fighters in the game! Master the new gameplay features in this action-packed fighter game! The new fighter is relatively unknown to the world, but he is destined to be the number one fighter in The King of Fighters! There is a total of 12 different characters to choose from. With a team of the greatest KOF fighters, you can conquer the world! The game mode is 'King of Fighters', and the location is 'KOF'. You can choose from the following 12 fighters: Kyo Kusanagi, A.J., Ikari, Momiji, E. Honda, Ryu, T. Hawk, Iori Yagami, Kula Diamond, Fei Long, Ralf Jones, Yukari Morikawa and Haohmaru. There are a variety of new gameplay features! Among them are: playable 3-on-3 mode, new tag system, character combos, Para Attack and the Crystal Weapon system. New Features: * 3-on-3 mode! Play against three other players in a Team Battle, Tag Battle, or Battle Team. Each player has a partner. The partner battle will be determined by

the player's A.J. Code. * Tag System! Tag up with your partner in battle to unleash a powerful attack. * Character combos! Character combos are performed by holding down the attack button for a certain period of time. * New Para Attack! When a Para Attack is activated, the character will perform a special attack. * New Crystal Weapon System! The Crystal Weapon is an unusual weapon for the fighter, allowing him to use different elemental powers. * The special feature of the battle is the Crystal Weapon. It has a good chance of helping you win the battle! Ключ Справочник по ТТП-часам Справочник по СВЧ-часам СПравочник по СВ
