Download the latest version of Summertime Saga APK now - Games in a very interesting visual novel genre from Kompas. Table of contents [Show/Hide]NameSummertime SagaPublisherKompasCategoryNSFWVersion0.20.7Size751MMOD FeaturesCheat MenuRequiresAndroidSummertime Saga is a very interesting visual novel game by Kompas publisher. This game works as a simulation game, where you can explore the life of a teenager who is studying in high school. This person does not know that many interesting activities and events will occur during this volatile summer. Like FAP CEO, the game has several NSFW scenes, requiring you to be at least 18 years old. The Story ofSummertime Saga tells the story of a man in high school. His father took another wife, so he had a stepmother (Debbie) and a half-brother (Jenny). When her father died, she had to move to the suburbs to live with her stepmother. His father tortuous large sums of money to a mysterious gangster gang, he had to find a way to make money to pay for his father's tuition and money. GameplayAlthough the story of this game is related to mafia and gangs, you do not have to fight or join the shootout like Grand Theft Auto. You're just a normal guy with a normal life like all the other high school students in town. Normal life doesn't mean boring. There are many challenges and difficulties that arise every day, you need to calmly face and find a way to overcome them. Summertime Saga has 65 characters and 30 locations in the city. With visual novel gameplay, you need to have conversations with the characters that appear in your life every day. They give you the information and requirements you have to make. When you complete a assigned task, you'll receive valuable items and money to help you pay for life. Summer vacationAfter the introduction of the story, in the first scene, you wake up in your room. The room consisted of a broken computer, a telescope, a bed and several other items. When you open the room, meet your half-sister, Jenny. He always seemed uncomfortable and used to call you a loser. After a few conversations, you meet your stepmother on the ground floor. He suggests giving you a part-time job during the summer holidays, it takes care of the garden for Erik's family. Erik was your classmate. The map icon in the upper-left corner of the screen helps you quickly move to a location in the city. After cleaning Erik's garden, you and him went to school. Principal Smith invites you to meet him and show you your transcripts. Your mark is too low and you lose most of the subject. If you want to graduate, you need to quickly take a course to improve your mark. Since then, A very interesting story is about to happen. You can't predict everything. In particular, the main character of Summertime Saga is a pretty lucky guy. Wherever she goes, she meets beautiful and sexy girls. They are are friends during the holidays this summer. Clean & CheatedSummertime Saga has two main modes, including Clean and Cheated. In Clean mode, you have to complete every story the game needs. Solve every conversation and help the main character solve every problem of his life. One thing you should remember, listen to and remember conversations regularly. Maybe it will help you find the necessary things faster. In addition, Cheated mode serves as the MOD version. This mode supports you to automatically select and skip. At the same time, the game also gives you a huge amount of money, you no longer have money problems. GraphicsSummertime Saga has a beautiful design like an animated movie. The seaside city district is beautifully depicted with colorful. The population density is not too crowded, you can feel the peace of a small coastal town. In particular, I like the way they create hot girls in this game. The girls have a very beautiful and sexy appearance. I can play this game for hours without getting bored. About Summertime Saga APKWhat is Summertime Saga APK? Summertime Saga APK is the official version for Android. Technical information Download apps similar to Summertime Saga Mad City IV Prison Escape 1.46 Apk Mod + OBB Data latestElite Military Modern War 1.0.3 Apk (Mod Money/Ad-Free)Gorgoa 1.2.0 build 100021 Apk + OBB Data Paid Mod latest Exciting summer has always been something many young people think about during their youth. This is what they waited for during the school year. Anon, a young man in his 18s, is preparing to have his best summer vacation after his first year in college. However, a heartbreaking story strikes again and makes him begin to fall into the series of the most difficult days of his life. Anon's father passed away suddenly and left many doubts for everyone. His father's death made headlines very painful and fell into a situation where no one could rely on it. Summertime Saga is a journey that the main character spends summer alone. Interesting simulation game With the opening of such a tragic story, Summertime Saga makes many players feel heavy. However, once you've integrated into the game, you'll find it has a lot of interesting details. A lot will happen to the main character and gradually make him forget his initial suffering. The person is dead, so the living need to move on with their own lives. Anon must learn to live on his own, take care of himself in the best way, create new relationships. This is basically a simulation game that describes the life of a young man and the relationships around him. The game will cover the ups and downs of life and even love and hot situations. Actually it brings curious content to players, making them fall in love with the rhythm. The consequences that the father left to Anon Anon both had to learn to live alone while facing the huge debts left by his father. Suddenly, an 18-year-old boy had to bear the brunt of his father's lost debt. Criminals constantly appear and disrupt his life. They're trying to pull this kid down the criminal path to pay off his father's debts. You should be vigilant so as not to get caught up in the cycle of childbirth. Don't worry too much because you still have friends and relatives by your side. You are the most important factor in deciding how your life will play out. What if you could solve all the problems and become a beneficial adult to society? The rich content offers the Summertime Saga experience will operate in a life simulation game style. This means that you will play the role of a character in the game and interact with others. First, players must interact with nearby characters. They are NPCs but are engineered and behaviorally programmed. Players must respond to their own reactions to the behavior of opponents. Your reaction will lead the story to a different turn. Usually, the gameplay of this game revolves around talking between characters. You will be able to choose the place you visit and then there will be characters that appear and give you a conversation. In general, it's a bit boring, but you have to actually play the game to feel the drama. It's like you're watching a movie that you're pointing yourself at. In this game, there are more than 65 characters arranged in multiple positions for you to interact with them. In addition, it also has a mode called unlock location. The game offers simple tasks during Anon's life experience. After the specified item is complete, the new location will be opened The game offers more than 30 unique locations along with 20+ minigames. Wherever you go, there is a variety of content to experience life simulations of life Saga. Fully funded by Patreon supporters This is a game designed and published by Kompas but maintained by donations from Patreon supporters. They will donate money to this game and help it grow and receive some benefits that do not get free players. It can be said that their power is so great that it is almost like a game developer, a small investor of Summertime Saga. As a contributor through Patreon, recurring rewards are deposited into your account. Benefits such as private download servers, bug trackers, and wiki access will give players a huge advantage in achieving great in-game achievements. In addition, you also have the right to choose upcoming game content. Which character do you want in the game, what story you want to develop, what position you want to open,... Simply raise money and you have the right to choose this content. appears in the game. For some game-intensive YouTubers, they'd like to hear about an in-depth development overview revealed by the publisher itself. They also receive spoilers for upcoming scenes to draw views for themselves. There are also other bonuses of system disputes. Generally, this game still exists and develops thanks to gamer support. As long as the community is still there, it will continue to grow and offer a lot of interesting content. Content.
