Step 1: Confirm that the license is valid Before the upgrade can be performed, the license must be validated. The following steps must be performed: 1. Download the version 4 license key file, which is about 600 KB in size. 2. Rename the license file, for example, 'license-4-1-1.key'. 3. Open the file in a text editor. 4. The license key must be written on a new line and must start with the characters 'BEGIN LICENSE'. 5. The license key must end with the characters 'END LICENSE'. 6. The license key should not contain any blank lines. 7. If the license key is not in the correct format, it must be corrected. 520fdb1ac7
